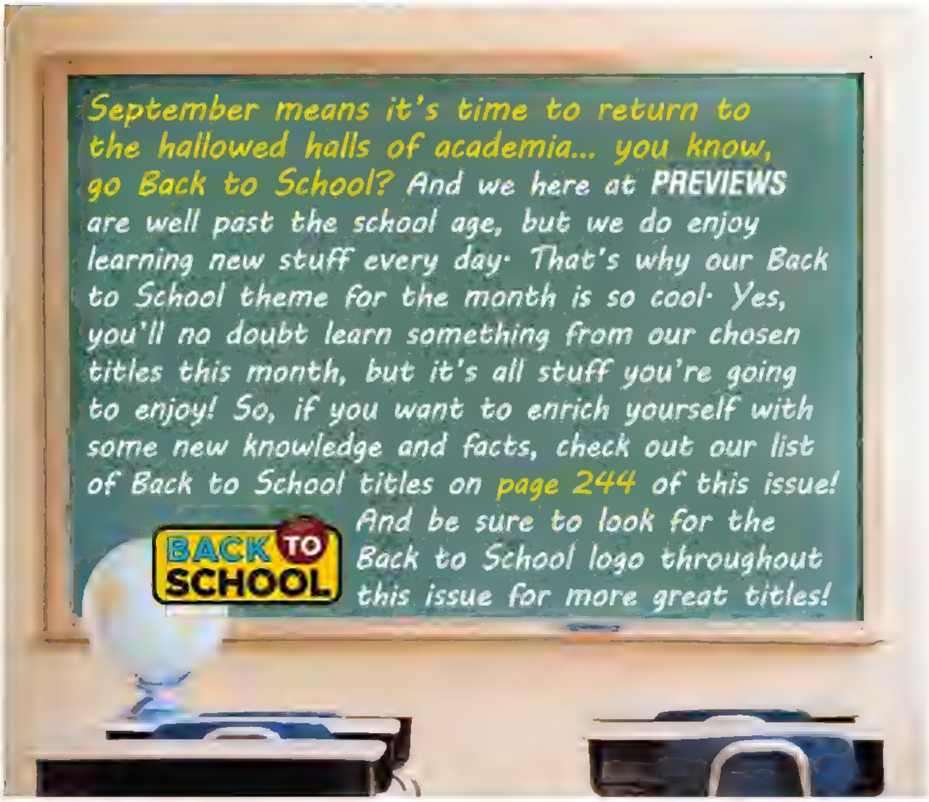
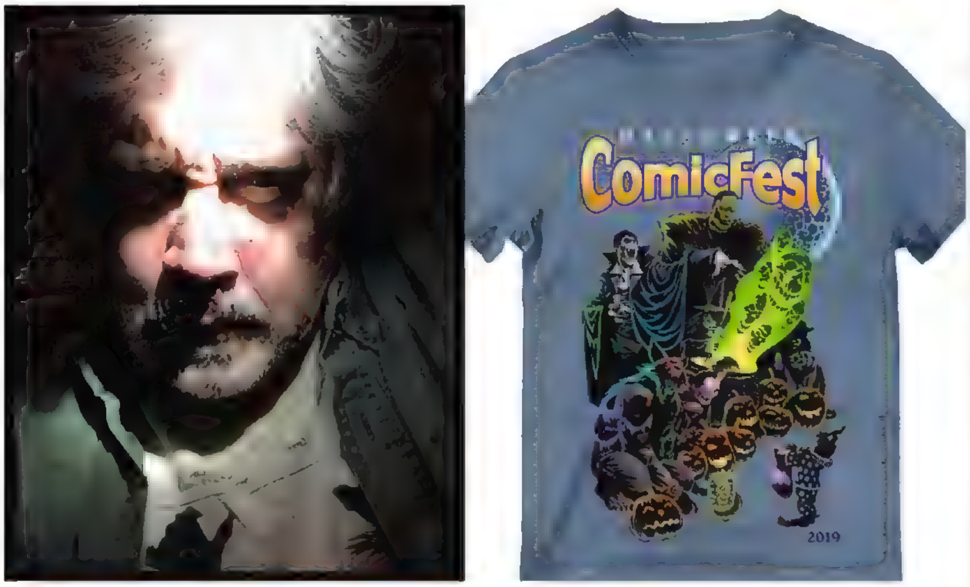
How much would it cost you to buy all 3,433 comics, graphic novels, t-shirts, toys and other collectibles in this issue of ***PREVIEWS***?!

IN THIS ISSUE:



September means it's time to return to the hallowed halls of academia... you know, go Back to School? And we here at PREVIEWS are well past the school age, but we do enjoy learning new stuff every day. That's why our Back to School theme for the month is so cool. Yes, you'll no doubt learn something from our chosen titles this month, but it's all stuff you're going to enjoy! So, if you want to enrich yourself with some new knowledge and facts, check out our list of Back to School titles on page 244 of this issue! And be sure to look for the Back to School logo throughout this issue for more great titles!



HALLOWEEN COMICFEST 2019 COMMEMORATIVE ARTIST T-SHIRT: KELLEY JONES

Our *Halloween ComicFest* (HCF) shirts have been pretty sweet the past couple of years, with Francesco Francavilla and Eric Powell providing great Halloween-themed images for our annual t-shirts. Now you can add superstar KELLEY JONES to the list, as the *Batman & Dracula: Red Rain* and *Deadman* artist brings the spooky to HCF 2019 with his creepy and colorful design! Available in Men's, Women's and Youth sizes, this is going to be a shirt you'll want to wear year-round! See page 40 of this issue!

31 YEARS AND COUNTING…

A little over 31 years ago, I made the move from my hometown of Sacramento, California to the faraway land of Baltimore, Maryland to work on PREVIEWS… and here I've been ever since. A lot has happened over the years, some good, some bad, but it has all contributed in some fashion to creating the man I am today… for better or worse.

I recently moved into my new home and this weekend I can finally begin the "Unpackening" in earnest, as my heavy-duty shelving units recently arrived. This weekend, I'll set them up and begin to fill them with treasures. I can't wait to see how it all fills out…

On the ***PREVIEWS*** side of things, it's going to be pretty quiet around here for the next week or so, as a bunch of people from the department head to San Diego for Comic Con. This will be the first time I'm missing Comic Con in many years (maybe 20 or ore, I need to count my badges!), but I don't know how much I'll actually "miss" being there. Yes, it is exciting and a truly senses-shattering event, but as I've stated previously, it's just become too much work, too much of a hassle to wring any true enjoyment from the precedings… maybe next year?

Inside the issue, with got another jam-packed issue! Plenty of cool stuff to drool over throughout, including our ***Halloween ComicFest Commemorative Artist T-Shirt*** offered in this issue! This year it features a brand-new, exclusive image by ***Sandman***, ***Deadman*** and ***Batman*** artist, KELLEY JONES!

When we weren't sure who we were going to get to do the design this year, I suggested my old friend from California, Kelley Jones. We met years ago at the ***Comics & Comix*** store in Citrus Heights, California, me a young Assistant Manager, he an up-and-coming comic book artist. I knew Kelley had the stuff to make our ***Halloween ComicFest*** shirt for 2019 be one of our best offerings yet, and he did not disappoint! Check it out for yourself on **page 40** of this issue! And don't forget to check out the ***Halloween ComicFest*** full-size and mini comics being offered this year at comic shops, and for you to give out at Halloween this year!

That's all for now. Please do enjoy your summer (it goes by, so fast!), and if you're going to Comic Con this year: just breath, take each step carefully, and look both ways at the train crossing!

Your Pal @ ***PREVIEWS***,

Marty

Where The Magic Of Collectibles Comes Alive!

Babe Ruth Jersey Sells for Record $5.64 Million

Babe Ruth's New York Yankees jersey from 1928-1930 sold at Hunt Auctions for $5.64 million – setting the record for the single most expensive piece of sports memorabilia ever sold. The previous record for the most expensive piece of sports memorabilia was a different Ruth jersey from 1920, which sold for a little more than $4.4 million. The grey road uniform was one of many standout pieces that Ruth's family and other collectors had supplied for the auction at Yankee Stadium.

ComicConnect's second Event Auction of 2019 saw many impressive results, led by an *Amazing Fantasy* #15 CGC 9.2 for $598,000, a record for the grade. Comic sale highlights during the Event Auction included *Action Comics* #1 CGC 6.5 R for $220,000, *Batman* #1 CGC 2.0 for $71,000, *Captain America Comics* #1 CGC 2.5 for $90,000, *Superman* #1 CGC 1.0 for $71,004, and *Incredible Hulk* #1 CGC 8.0 for $91,002. Original comic art sales were topped by Jack Kirby's work in *Fantastic Four Annual* #2 page 3 for $12,200, *Journey into Mystery* #105 page 4 for $14,422, *Tales of Suspense* #94 page 9 for $14,266, and *Thor* #157 cover for $71,000.

eMoviePoster's June Major Auction Hits $478K

eMoviePoster's June Major Auction, with pieces in a variety of sizes from all over the world, concluded with $478,667 in total sales. Top results were *Master Mystery* chapter 9 one-sheet for $28,500, *Bullitt* international six-sheet for $6,497, *2001: A Space Odyssey* Cinerama standee for $5,250, *Creature from the Black Lagoon* style B half-sheet for $5,120, *Star Wars* Trilogy one-sheet for $9,588, *Star Wars* style A six-sheet for $9,102, and *Star Wars* concert poster for $8,150.

Ultra-Humanite: Superman's First Supervillain

Created by Jerry Siegel and Joe Shuster, the Ultra-Humanite made his debut in *Action Comics* #13 (June 1939). The character was designed to be the opposite of Superman. While the hero had superhuman strength, Ultra-Humanite was a criminal mastermind with a crippled body but a highly advanced intellect. The Ultra-Humanite's past is shrouded in mystery, with the super-criminal himself unaware of his true name or appearance.

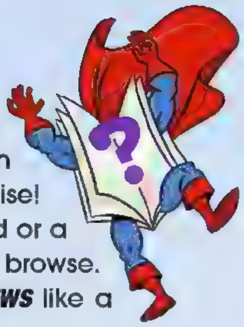
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

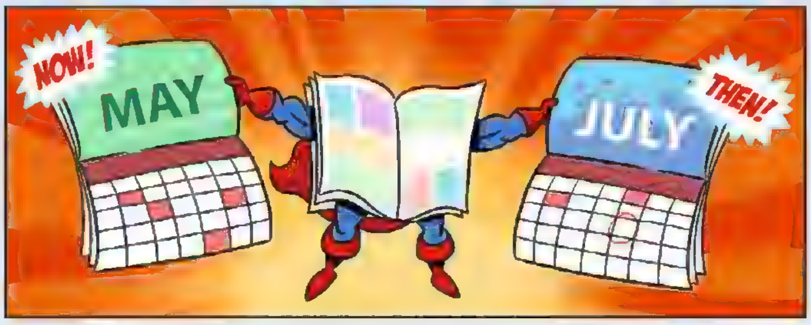
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through ***PREVIEWS***! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

ESSENTIAL ITEM

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Item is expected to ship within 30 days of the EST SHIP DATE.
1 = Item is expected to ship within 60 days of the EST SHIP DATE.
2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

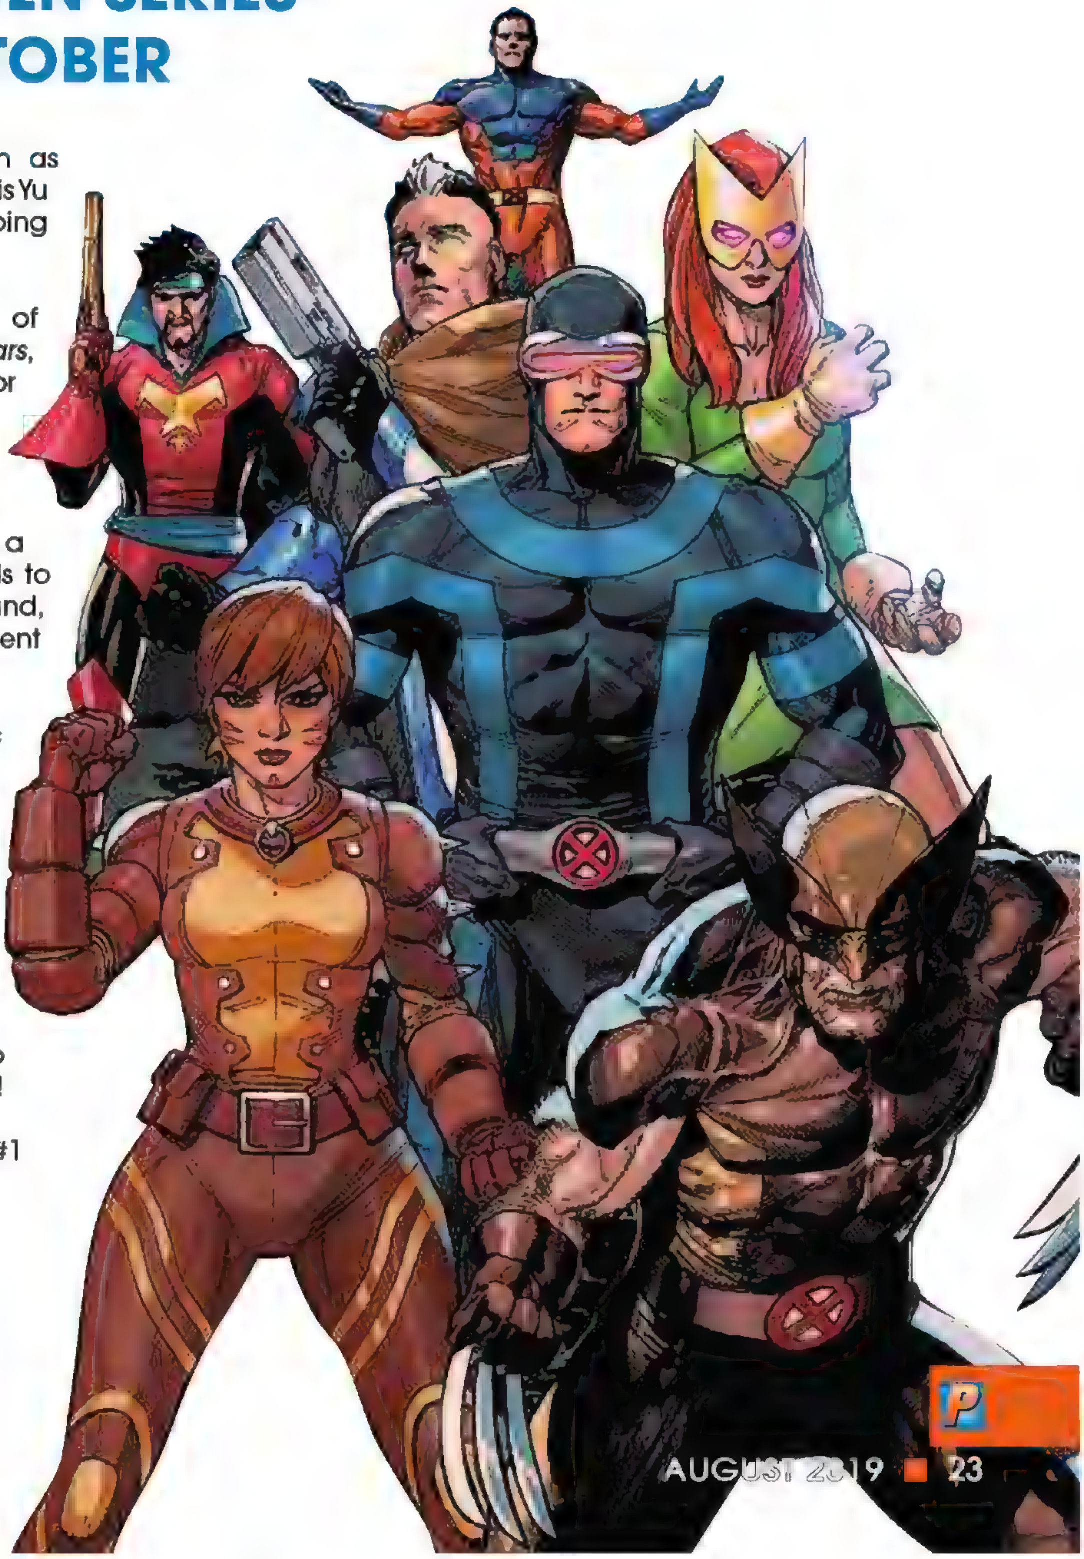
JONATHAN HICKMAN'S ONGOING X-MEN SERIES BEGINS IN OCTOBER



A new era dawns for the X-Men as Jonathan Hickman and Leinil Francis Yu launch Marvel Comics' new ongoing *X-Men* series this October!

Hickman, the acclaimed writer of *Fantastic Four* and *Secret Wars*, established a new status quo for the Marvel Universe's mutants in his best-selling *House of X* and *Powers of X* series. Now, Cyclops leads a hand-picked team of the world's most powerful mutants as a new world awaits! With new worlds to explore and new adventures at hand, the X-Men reestablish their pre-eminent place in the Marvel pantheon!

All of Hickman's hallmarks – cosmic adventure, super-hero action, detailed character work – are present in *X-Men* #1, and teamed with Leinil Francis Yu (*Captain America*) Hickman will make *X-Men* essential reading each and every month. Perfect for new readers and long-time fans, *X-Men* #1 marks the start of a groundbreaking new series that no Marvel mutant fan will want to miss!

Look for Hickman and Yu's *X-Men* #1 this October!

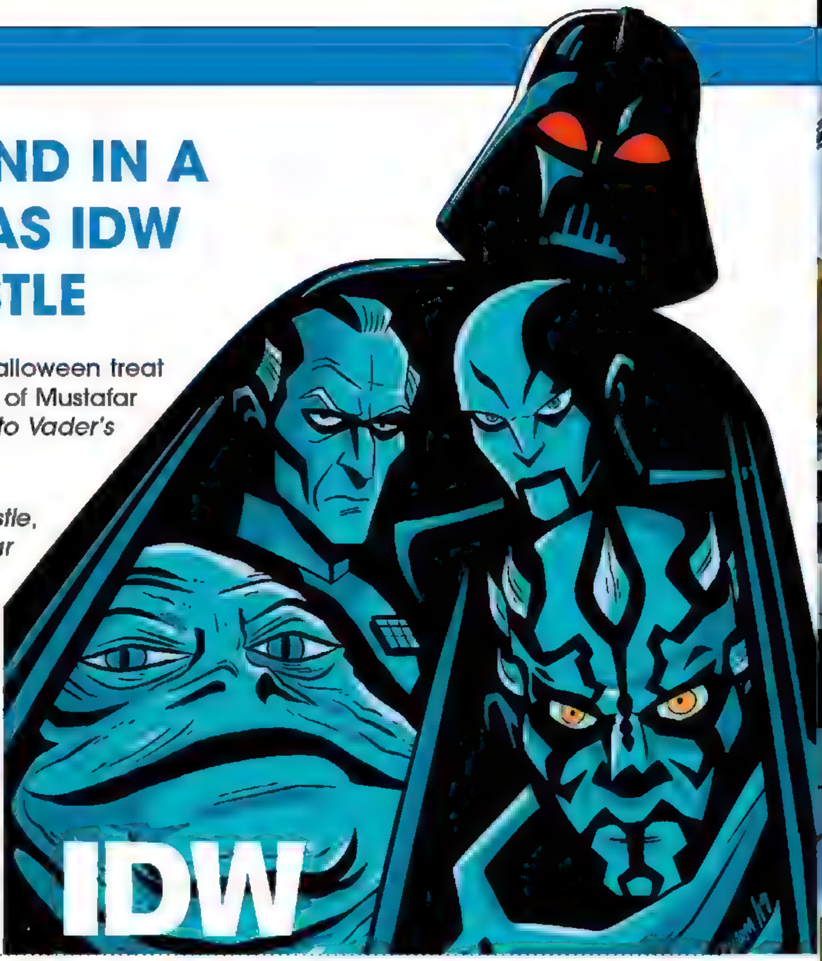
SPOOKY DELIGHTS ABOUND IN A GALAXY FAR, FAR AWAY AS IDW RETURNS TO VADER'S CASTLE



As autumn approaches, IDW Publishing unleashes a new Halloween treat as they invite *Star Wars* fans of all ages to return to the world of Mustafar in their five-part weekly event, *Star Wars Adventures: Return to Vader's Castle!*

The follow-up to last year's best-selling *Tales from Vader's Castle*, *Return to Vader's Castle* looks at the darker side of the *Star Wars* universe, one filled with thrills and chills, scum and villainy, and some spooks thrown in, too! Writer Cavan Scott teams with artists including Francesco Francavilla, Megan Levens, Kelley Jones, Nick Brokenshire, Nicoletta Baldari, and Charles Paul Wilson III for another round of Halloween-themed all-ages stories set in a galaxy far, far away!

Look for *Star Wars Adventures: Return to Vader's Castle* from IDW Publishing this October!

DARK HORSE'S THE MASK RETURNS IN THESE TROUBLED POLITICAL TIMES

Years ago, Edge City was terrorized by a green-faced killer known as "Big Head," his reign of terror ending (coincidentally?) with the burial of a strange, green artifact in the concrete foundation of an apartment building. These days, Big Head is just a legend, if he's remembered at all, only those who forget their history are doomed to repeat it, and Edge City's politics are going to be turned upside down in Dark Horse Comics' new series, *The Mask: I Pledge Allegiance to the Mask* #1!

Christopher Cantwell (*Halt and Catch Fire*) and Patric Reynolds (*Hellboy*) relaunch the character created by John Arcudi and Doug Manhke for a four-issue mini-series filled with political satire and insane mayhem. Edge City won't be the same when the Mask vows to "make America green again." Whether you read *The Mask* in the 90s or have never read *The Mask*, *The Mask: I Pledge Allegiance to The Mask* adds insanity to these already insane times!

A COVEN CHANNELS MAGIC THROUGH INK IN IMAGE COMICS' *THE MARKED*

The Marked may look like social media influencers, but they are something far more significant! Their tattoos, which look like art, are, in reality, the glyphs of an ancient mystical order and, through them, they can command powerful magics to keep the world safe. But with magical threats to humanity gone, The Marked have turned to using their powers for indolence and pleasure. Their complacency, however, is short-sighted, and in David Hine and Brian Haberlin's new urban fantasy series from Image Comics, *The Marked*, they will be challenged by dark and chthonic forces when a young woman creates an even darker form of sorcery! Riveting and action-packed, *The Marked* is an urban fantasy that readers will not want to miss this October!

THE HELLMOUTH BECKONS IN BOOM! STUDIOS' BUFFY EVENT

BOOM! Studios caps off their first year of the *Buffy the Vampire Slayer* relaunch with the five-part event, *Hellmouth!*

The Hellmouth is a mystical portal that connects our world to a realm of demons and unspeakable evils. As the Slayer, Buffy and her friends guard the Hellmouth to prevent it from opening. The vampires Drusilla and Spike, however, have found a way to open the Hellmouth and unleash its evils on Sunnydale and the world, and Buffy will have to turn to an unlikely ally, the vampire Angel, if she's to have any hope of defeating Drusilla and Spike's plan! But can she trust a creature that, as the Vampire Slayer, she is sworn to kill?

The first crossover of BOOM!'s new *Buffy the Vampire Slayer* direction begins this October in *Hellmouth* #1 from Jordie Bellaire, Jeremy Lambert, and Eleonora Carlini, and no fan of *Buffy* and *Angel* will want to miss out!

THE ICONIC ANIME GETS A REMIX... AND IT'S TIME TO MEET THE DJ!

Robotech Remix #1 kicks off a new era for the sci-fi anime classic, packed with human drama, blistering action, military tension, and (of course) transforming mecha-jets!

Hopping into the creative cockpit for this radical reimagining is writer **Brenden Fletcher** (*Isola, Motorcrush, Batgirl, Black Canary*) and artist **Elmer Damaso** (*Robotech/Voltron, Speed Racer*).

We caught up with Brenden, to see what this '80s remix had in store for fans old and new...

ROBOTECH
REMIX

Is this a reboot or new series?

All of the above! Seriously, *Robotech Remix* is a little bit of everything.

It's a whole new series, starting with a new #1, that anyone can pick up and enjoy. It picks up one of the most compelling story threads left hanging in Simon Furman's *Robotech* series, but the inciting incident of our plot takes place in the pages of our first issue, kicking everything off in a fresh, new direction.

And in this new timeline, splintered off the classic '80s anime, we *do* find some rebooted versions of familiar characters. It's a great device, allowing us to remain faithful to the original show while reimagining things for modern readers.

"*ROBOTECH* PRETTY MUCH INVENTED THE REMIX. IT PAVED THE WAY FOR THE ANIME EXPLOSION OF THE 90s!"

What's your history with *Robotech*?

I've been a fan of *Robotech* nearly all my life! I caught the initial broadcast of Episode 1, "Boobytrap", when it first aired on WUTV 29 out of Buffalo, New York, all those years ago. I was an immediate and passionate fan.

My family bought me the toys in middle school, I played the Palladium D20 roleplaying game through high school, and later, applied the myriad influences of Robotech to my life as a storyteller. I attempt to shoehorn transforming robots and pop idols into nearly every comic project I work on. I'm not ashamed!

Who's your favorite character?

This is a tough one. My favourites have changed through the years, as I've grown. I definitely wouldn't have said it years ago, but the characters I'm loving most today are the Sterlings – Max, Miriya and even Dana Sterling! There's always been an underlying complexity to them that I'm getting a chance to bring to the surface in *Robotech Remix*.

"THIS IS THE DANA STERLING STORY THAT FANS HAVE BEEN WAITING YEARS TO READ."

What's your favorite aspect of *RR*?

I'm really enjoying bringing new blood to the *Robotech* universe! This will be one of the most diverse casts with the coolest new mecha the series has seen in a while, designed by the incredible Elmer Damaso!

Elmer is a godsend. His designs are absolutely stunning, his storytelling is spot-on, his knowledge of Robotech characters and lore is comprehensive, and *oh my crap* can this guy draw mecha!

I'll never forget the email I got last week with scans of napkin sketches he'd done at the breakfast table, when inspiration for a transformation sequence struck. The designs came with profuse apologies for their rushed and sketchy nature – and holy cow, even downing his pancakes and eggs, this guy brings his A-game!

Elmer might be one of the most talented, hard-working and humble artists in the biz, and I can't wait to show his work off!

Where's this series headed?

This is the Dana Sterling story we've all been waiting years to read. Dana travelled back in time to save the universe, and in doing so stopped her parents from falling in love, getting married and giving birth to her. It's an examination of where she belongs in the *Robotech* universe, if she belongs there at all. It's kinda like *Back to the Future* with transforming robots, alien invasions and pop idols!

What would you say to the fans?

Robotech pretty much invented the remix, if you ask me. It's a story built from jamming on the content of some of the coolest Japanese animated series of the early '80s, combining them in innovative and imaginative ways to create something new. It paved the way for the anime explosion of the '90s!

"IT'S KINDA LIKE *BACK TO THE FUTURE* WITH TRANSFORMING ROBOTS, ALIEN INVASIONS, AND POP IDOLS!"

I think about this a lot in terms of what the series meant to us as kids growing up in the '80s, the nostalgia we have for it now, how it influenced western anime culture, and the role music could play alongside it. As you can imagine, I've got some things to say that'll find their way onto the comics page. I hope you guys come along for the ride and chime in with what Robotech means to you!

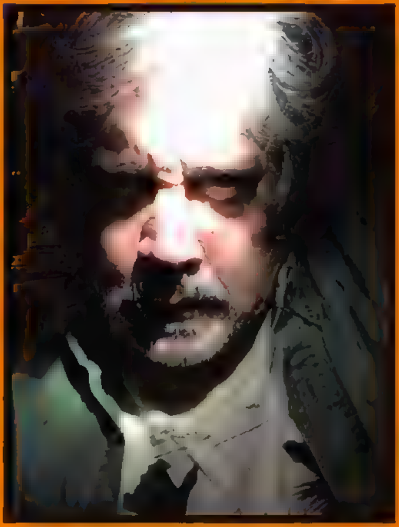
2019 HCF COMMEMORATIVE ARTIST KELLEY JONES



Eisner Award-winning artist Kelley Jones is best known for his collaborations with writer Doug Moench on their popular series of Elseworlds BATMAN tales, including the horror-tinged vampire-Batman stories *Red Rain*, *Bloodstorm*, and *Crimson Mist*, as well as *Batman: Dark Joker—The Wild*. Kelley started his career at Marvel Comics in the mid-'80s, inking the *Micronauts* and then moving on to pencil *Micronauts: The New Voyages* for the bulk of the 20-issue run of the series.

But Kelley's first love has always been horror and the macabre, and he channeled that love into his *Batman/Dracula* stories, as well as his work redefining DC's *Deadman*. He counted Bernie Wrightson as a close friend, and was honored to complete *Frankenstein Alive, Alive!* for IDW Publishing after Wrightson's untimely death in 2017.

Kelley's original design for *Halloween Comic Fest 2019* evokes the spirit of Wrightson, the classic movie monsters, and the artist's own love for the genre in a one-of-a-kind image that you'll proudly wear year-round!

ARTIST / COVER A JOHN McCREA
COVER B (1:10 INCENTIVE VAR) PHIL NOTO

OCTOBER 2	32 PAGES	FC	M	$3.99

CRIME & MYSTERY, ACTION & ADVENTURE, HUMOR

You can't keep a good comic down.

In the 1990s, **DEAD EYES** was a prolific stick-up man and hoodlum in Boston until he took down one last big score and disappeared. Nobody ever discovered the truth. He retired to be with the love of his life, but now he's back in the mask to save her. No one—not his wife, the mafia, or the cops—is happy that he's out of retirement.

From **JOHN McCREA**, the artist and co-creator of **MYTHIC** and **Hitman**, and **GERRY DUGGAN**, the writer of **ANALOG** and **DEADPOOL**, comes the action, comedy, and drama of Martin Dobbs, a.k.a. **DEAD EYES**, the man who says he's descended from one of the original gangs of New York City. Get on board the oversized first issue of an all-new ONGOING SERIES for mature readers.

If you like the genre-blending narrative of The Departed and a good Brubaker/Phillips crime series, you'll love DEAD EYES.

Newsweek's Best Comic Books of 2018
Thrillist's Best Comics & Graphic Novels of 2018

ED BRUBAKER and **SEAN PHILLIPS**—the bestselling creators of **CRIMINAL**, **KILL OR BE KILLED**, **THE FADE OUT**, and **FATALE**—present their first original graphic novel in paperback for the very first time!

Teenage Ellie has always romanticized drug addicts, those tragic artistic souls drawn to needles and pills, ever since the death of her junkie mother ten years ago. But when Ellie lands in an upscale rehab clinic where nothing is as it appears to be, she'll find another—more dangerous—romance, and discover how easily drugs and murder go hand-in-hand.

MY HEROES HAVE ALWAYS BEEN JUNKIES is a seductive coming-of-age story, a pop and drug culture-fueled tale of a young girl seeking darkness... and what she finds there.

"Readers of postmodern pulp will enjoy this intense story and unapologetically cunning character."
—Publishers Weekly (starred review)

"Provides plenty of truly twisted twists and wraps up with a pulpy punch of an ending that's satisfying—and heartbreaking... a fine addition to a staggering body of work."
—Library Journal (starred review)

"Like most CRIMINAL stories, there's a darkness, along with twists that cut to the core. Phillips' art utilizes a limited color palette that makes you feel the ideas that run through each scene, each of the narrator's thoughts and memories."
—LAist

Miniseries

The best-selling comic series that inspired the blockbuster film returns with gruesome hilarity from the showrunner of AMC's *Halt and Catch Fire* and *Hellboy*'s Patric Reynolds.

Years ago, a weird mask of unknown origin and limitless power was buried in the cement of an apartment building's basement floor. Edge City and its residents have all but forgotten the mysterious green-faced killer known only as "Big Head." But now, decades later, the bizarre Tex Avery–style killings are happening all over again and are on a collision course with a bizarre political campaign where a homicidal maniac wants to "Make America Green Again"!

On sale Oct 2
FC, 32 pages
$3.99
Miniseries

Ruby Falls is a sleepy town. But sleep brings nightmares, and Lana is about to wake up in the middle of her hometown's biggest secret: the "disappearance" of infamously progressive Betty Gallagher during the mobster-ruled heyday of the old mining town. When details of the cold-case murder start to come out through her grandmother Clara's foggy, dementia-jumbled memories, Lana becomes obsessed with cracking the case, even if it splinters the peaceful town—and endangers everything she loves.

From Ann Nocenti (*The Seeds*, *Daredevil*) and rising talent Flavia Biondi (Italian artist of *La Generazione* making her American comics debut) comes *Ruby Falls*: a neo-noir tale of love, memory, and murder mysteriously woven through three generations of women, and hinging on their individual, intertwined fights for freedom.

STEVE CANYON, VOL. 10: 1965-1966

writer/artist/cover **Milton Caniff**

Shades of *Terry and the Pirates*! Steve roams the Far East in Volume 10, learning that politics makes strange bedfellows as he first teams up with Cheetah in Taiwan, then goes undercover in Hanoi to rescue "Herself" Muldoon! In between, he encounters another femme fatale from his past, now harrying the Hong Kong waters under the nom de guerre "Madame Hook." Sports are also prominent, as gangsters squeeze Poteet and Shaky Blopp in order to get points shaved on the basketball court. Steve races to stop a Communist plot to drop an atomic bomb on a football stadium (!), and baseball works its magic to save the day—and an old friend—in far-off Mahnay.

Milton Caniff is synonymous with adventure and spine-tingling excitement, and they're on display throughout *Steve Canyon, Volume 10*.

FOR BETTER OR FOR WORSE: THE COMPLETE LIBRARY, VOL. 4

THE LIBRARY OF AMERICAN COMICS

writer/artist/cover **Lynn Johnston**

This volume includes the story that earned **Lynn Johnston** a Pulitzer Prize nomination. The '90s start with a bang for the Pattersons when Elly finds out she is pregnant! Follow April Patterson as she grows from a toddler to a three-year-old, all in this single volume—but that isn't all the excitement in the house, especially when there is a teenager around. Michael gets his first summer job, a steady girlfriend, and a driver's license—if he passes the test. Adolescence is just as challenging for Elizabeth, who navigates middle school, learns to cope with the stigma of wearing glasses, and is peer-pressured into smoking a cigarette! Meanwhile, John succumbs to his (first) mid-life crisis when he buys his first model train.

The highlight of this collection, however, is Lawrence's coming out story, a tender and compassionate tale of gender identity and acceptance for which Lynn was deservedly nominated for the newspaper industry's top honor. Includes every comic strip from December 10, 1989 to April 24, 1993.

LOVE AND OTHER WEIRD THINGS

writer/artist/cover **Rich Sparks**

The world can always use a laugh. But today, the world could really use *these* laughs in *this* collection of comic strips and panel cartoons.

Love and Other Weird Things is a cartoon collection by soon-to-be-household-name-if-there's-any-justice-in-this-world **Rich Sparks**. The cast of characters seem innocuous enough: foul-mouthed animals, Paul Bunyan, eccentric women, men in their skivvies. But the situations give Monty Python a run for their money. And the juxtapositions—good heavens! Sparks has been published in the *New Yorker*, the *Wall Street Journal*, *American Bystander*, *Weekly Humorist*, and many other publications. Now he breaks out on his own with approximately 150 bizarre but sweet (seriously? Somebody needs to check the definition of sweet.) but also really funny cartoons.

"I'm actually trying to get out of the 'blurb game.' Unless it's for my kids, or someone I owe a sh*t ton of money to."
—Roz Chast, *New York Times* best selling cartoonist

"Try not to laugh. I double-dog dare ya!"
—David Yow, musician (The Jesus Lizard) and actor

LUPUS

writer/artist/cover **Frederik Peeters**

Lupus Lablennorre is a man on the run. Like a cosmic Odysseus, he wanders from planet to planet, haunted by his past and orbiting around a woman. It starts as a fishing trip with his ex-military pal Tony. Their lifelong friendship has started to feel different lately, and not just because of the drugs. Picking up Sanaa, a wealthy and mysterious runaway, only complicates the situation. When tragedy strikes and they're forced to flee, new worlds await with many ways to disappear. But Lupus will find that the tendrils of friendship, love, and family are not so easily severed. Armed with astonishingly expressive brushwork and a dreamy, intimate narrative, Frederick Peeters drifts on the solar winds to a new understanding of memory, guilt, isolation, and connection.

AWARD-WINNING SWISS GRAPHIC NOVELIST **FREDERIK PEETERS** (*BLUE PILLS*) SOARS TO NEW HEIGHTS WITH AN EXISTENTIAL INTERPLANETARY EPIC THAT NEVER STRAYS FAR FROM THE HUMAN HEART.

"*LOVE AND ROCKETS* AS TOLD BY THE SWISS... A BEAUTIFULLY REALIZED COMIC-EPIC-ROMANCE OF THE TYPE THAT WOULD APPEAL STRONGLY TO AMERICAN READERS. ITS EASY JUXTAPOSITIONS OF THE MUNDANE AND THE SPECTACULAR ARE GENUINELY MOVING AND THE COMPLETION OF THE STORY IS WONDERFULLY SATISFYING. THIS IS BOTH A WELL-CRAFTED PAGE-TURNER AND A BOOK THAT REWARDS MULTIPLE RE-READINGS. DOES THAT MAKE IT A MASTERPIECE? I SUPPOSE IT PROBABLY DOES."

STAR WARS
ARTISAN EDITION

artist/cover **Howard Chaykin**
additional art **Walter Simonson, Michael Golden**, and more

In 1977, the same year the film was released, Marvel Comics launched *Star Wars* as a comic book. Adapted by **Roy Thomas** and **Howard Chaykin**, the comic series ignited the imaginations of countless readers across the globe, becoming part of the phenomenon that was spawned by **George Lucas**' smash-hit and record-breaking film!

The *Star Wars Artisan Edition* is an art book collecting more than 100 pages from the earliest stories, many from the first 10 issues, and each page has been painstakingly scanned from the original art. While appearing to be in black and white, the pages are printed in color, allowing the reader a rare glimpse of what original art looks like—complete with blue pencil notations, corrections, white-out—all the little nuances that make a page of original comic art unique. Besides Howard Chaykin, pages by comic legends **Walter Simonson** and **Michael Golden** are also included in this volume. As an added bonus, there is a beautiful foldout of Howard Chaykin's gorgeous *Star Wars* painting that was used to announce the film at the 1976 San Diego Comic Convention.

This is one book no *Star Wars* aficionado can afford to miss!

Originally debuting in 1994, Vengeance of Vampirella portrayed a more savage and feral look at the Daughter of Drakulon. Now, for the 50th Anniversary of Vampirella, original series writer TOM SNIEGOSKI (joined by the incredible art of MICHAEL STA. MARIA) is back and issue #1 features a host of incredible cover artists.

Set 25 years after the initial series, Vampirella is Dead!? Long Live Vampirella! Humanity holds on, but barely, the playthings and slaves of a multitude of supernatural monstrosities that have made the earth their own. Mistress Nyx continues to rule the planet, her Chaos Lords reigning over the various regions of the world, but she is getting bored – there's no one to challenge her! That is, until a small, but determined rebellion finds what could be their savior or seal their doom!

This new series – and anniversary event – is not to be missed!

TOM SNIEGOSKI LOOKS BACK ON VAMPIRELLA HISTORY, THE FUTURE, AND INTRODUCES HIS NEW ARTISTIC COLLABORATOR

Let's first flash back to your previous history with Vampirella. You wrote all of the mainline Vampirella series as well as most spinoffs and follow ups for nearly four years in the 1990s. This was an exciting time for comic books and for Vampi as well. It was an era of controversial blockbuster storylines like The Death of Superman and Knightfall. Some fans may not know that your run capped off with the explosive Vampirella: Death & Destruction. How do you look back on those times?

As a comic fan, it was incredibly exciting. My editor over at Harris basically gave me the Warren magazine toy box and let me go wild. I'd only written some smaller, independent books at the time so being given the chance to really cut loose with these amazing characters was a real honor. What was equally amazing was that folks really seemed to be digging my take on the character. I'd always said that I wanted to do a book reminiscent of the Marvel monster books of the 1970s – Tomb of Dracula, Werewolf by Night, Ghost Rider, etc. Vengeance of Vampirella was my try at that.

Which leads us right into this new title... This Vengeance of Vampirella series picks right up from the finale of Death & Destruction, as if Vampirella Lives and all the subsequent stories didn't happen. But the real-time passage of 25 years has passed in-story. What's it like picking right back up where you left off? Are you writing Vampirella any differently in 2019?

It's crazy cool! I keep joking and calling this the Sniegoski-Verse version of Vampirella. I'm amazed how easy it actually was. I refreshed my memory of what Christopher Golden and I did with the story in Death & Destruction, and I was off like a shot. I knew exactly what I wanted to do and was psyched to do it. My take on Vampi is familiar, but at the same time slightly different. This is a Vampirella that has lost quite a bit and this loss has changed her, made her harder and more dangerous.

Without delving too deep into spoilers, can fans expect some old friends and foes to pop up in this new series? How has the passage of time affected the world around Vampirella?

Yes! Friends and foes return... some with big differences. Writing these characters again was almost as exciting as getting to write Vampirella after all this time – almost. The world has changed dramatically since the ending of Death & Destruction and has sort of become a character in the new series. It's an incredibly dangerous and terrifying place now.

You worked with some fan-favorite artists back in the day, some of which are now major figures in the industry. Buzz is even coming back for covers on this book! What's it like working with Michael Sta. Maria as part of the next generation of great Vampirella artists?

I'd always felt that I'd won the lottery on my Vampirella run. The artists that I got to work with were amazing. Buzz, Caesar, Kirk Van Wormer, Kevin Sharpe, Louis Small Jr. – I'm sure I'm forgetting someone, and I apologize – I'm old! But yes, the book always looked amazing. And Michael Sta. Maria is carrying on the tradition! When the editors at Dynamite showed me his stuff I was completely blown away! The sample pages he did from my first script for the new series made my mouth drop, they were that good. I immediately emailed my editor and said, "You've hired this guy, right?" Much to my pleasure, they had. The book is going to look so good… and I hope it reads as well too!

Michael, how would you describe your artistic take on Vampirella? It goes without saying that so many stellar artists have contributed to the character over her prolific 50 year history. Are you taking influence from any of the greats and/or marking your own path?

I'm trying to make my own style, but at the same time I am influenced by previous artists for inspiration and reference. I think this combination makes me strive to create a better comic book for the readers and my collaborators. My father is also an artist, and he taught me to draw. However, my career truly started the day I met Stephen Segovia – who has drawn Vampirella as well. Today he is my mentor, a good friend and a constant inspiration. I hope fans love my Vampi!

Bob Benton has settled into his "boring" life of being a pharmacist. A daily routine, a co-worker he has a crush on... these are the things that keep him happy. But creeping below the surface are his memories of being a hero. Struggling against his urges to fight crime, he is suddenly sent down a path he thought he had left behind, wanting... needing to be a vigilante, ready to once again punch crime in the face and become the Black Terror!

Join MAX BEMIS (Moon Knight, Foolkiller) and MATT GAUDIO (John Wick, Bettie Page) as they take you for a ride through the life of superhero and all the weirdness along the way.

WRITER MAX BEMIS SAYS ANYTHING ABOUT BLACK TERROR

The Black Terror is a superhero who may not be immediately familiar to the average reader. What drew you to this character? Besides his pretty badass costume, that is.

I was a fan of the original Project Superpowers, but was honestly delighted by Warren Ellis' take on the characters. Dear god, I'm talking about Ellis again. He is going to file a restraining order. The truth is, the Superpowers Gang are archetypal and pretty much afford us writers the room to expand on them in whatever way we choose. Doing a weirder, more intimate take on any of them is probably a first time thing whenever it happens. Although Terror had his own book at Dynamite a few years back, it focused more on awesome superhero doings than character-based stuff or dense thematic pondering (i.e my whole shtick). One cool aspect about Terror is that he's sort of a rage monster who controls himself because he's a noble man. However, we start off by exploring a more vulnerable side of the man, as well as seeing him in his "normalized" state as a force of a nature. In some issues, we learn about what it's like to be him, and in some cases we throw a frightening vigilante into bizarre situations that could only exist in the 70's.

This series is set in the 1970's, more than 20 years following Black Terror's time in the war. By setting it in that decade, what kind of hallmarks of that era are you going to tackle? Can we expect any cool cameos?

There aren't any "real life" cameos, but anyone familiar with the era, its iconography, or its socio-political landscape will definitely recognize people or situations emblematic of the times. The cool thing about doing a That 70's Book for me is that the comics of the era, as well as what the decade stands for in American history, invoke a sense of both fear and vibrancy. There's a whimsical quality to the "vibe" of the 70's, and rather than a stark shift and breakdown of the values that Terror sprung from during the WW2 era, it's a trip. This book is not Watchmen; there's going to be some laughs alongside the nastiness. But I want to capture a bit of what it was like for everyone to see the world lose its mind and innocence. I will be clear though; this feels like a modern comic book and is in no way a throwback thing. I'm not classy enough to write a book like Astro City.

In his secret identity of Bob Benton, the Black Terror is a pharmacist. In fact, he got his powers from "formic ethers." Prescription drugs, addiction and the psychological issues that often precede them are just as relevant today as they were in the 70's. How can readers expect to see these topics handled in this series?

I hate to pigeonhole myself, but let's be honest; I write a lot of comics about crazy people and drugs. This one is no exception. However, I wanted to shift focus in this case from looking at people with a genetic predisposition for mental illness (like in Moon Knight, Polarity, and, well, my actual life) and focus on those affected by the world around them. Bob Benton is the ultimate shell-shocked veteran. Think about how war affects even normal, well-adjusted soldiers, and then imagine being in the types of situations Captain America and the Invaders would end up in during the War. Often we don't focus on how much they probably had to kill people, or the horrible things they witnessed on a more mythic scale, and they seem pretty fine considering what they've dealt with. I don't know if that's realistic. Bob is messed up from his experience. The first issue explores the beginnings of the implementation of psychiatric drugs to treat PTSD and how that can have positive and negative effects.

Black Terror is one of many classic superheroes who infamously has a teenage sidekick. And Tim doesn't even hide his secret identity! There have been a few comics to critically examine that sidekick role, such as Rick Veitch's Brat Pack. Will fans get to see Tim and how might his path collide with his mentor's?

There's actually a whole issue dedicated to Tim, and it's one of my favorites of the whole series. I like how he's just "Tim." He doesn't even get some cool name like Young Terror or Lil' Scary. I don't want to spoil how we approach Tim, but suffice to say the way we present him provides a very particular foil to Terror, who is all business and no pleasure, and we certainly delve into the mentality of the sidekick in a sickly comic way that people probably won't expect.

THE BOYS OMNIBUS, VOLUMES 1-3

Trade Paperback

writer: Garth Ennis | **artists:** Darick Robertson, John McCrea, Russ Braun | **comic covers:** Darick Robertson

This is going to hurt! In a world where costumed heroes soar through the sky and masked vigilantes prowl the night, someone's got to make sure the "supes" don't get out of line. And someone will!

Billy Butcher, Wee Hughie, Mother's Milk, The Frenchman, and The Female are The Boys: A CIA-backed team of very dangerous people, each one dedicated to the struggle against the most dangerous force on Earth — superpower! Some superheroes have to be watched. Some have to be controlled. And some of them — sometimes — need to be taken out of the picture. That's when you call in The Boys!

What's a hero to fight for? In this arc's thrilling conclusion, the Angels have made an unlikely ally in their quest to steal the powerful adrenalizine formula from Naris Corp. — but will it be enough to overcome the military contractor's upgraded security? They'll need a bold plan, incredible feats of espionage and a little luck if they want to stop the possibility of a bionically enhanced war machine in its tracks. But OSI alumni The Bionic Woman and Oscar Goldman may be none too eager to allow such powerful technology outside of Naris control, despite potential medical applications. Allegiances will be tested, values will be questioned, and punches will be thrown in CHARLIE'S ANGELS/BIONIC WOMAN #4!

artists: Mel Rubi, Jackson Herbert
cover: Lucio Parrillo

THREE FANTASTIC STORIES FOR ONE GREAT PRICE IN ONE AMAZING OMNIBUS.

You may have heard the stories of a certain barbarian at the tail end of life living as a king, now it's time to read about the Queen! Before she was a warrior, Red Sonja was a wild child in the Hyrkanian wilderness, before she ruled the empire of Emora, she thieved the streets of Pah-Disha. Running from the the pain of her bloody origins she gambles her life recklessly. Surviving these rough years taught her to fight, to hunt, to steal and to kill. They taught her one more thing, that her gift is her doom, and there is no escaping it. Pick up this terrific tome to read these tales of a mature battle-hardened Sonja atop the throne, dealing with threats from the outside and within.

"Know also, O prince, that in the selfsame days that the Cimmerian did stalk the Hyborian Kingdoms, one of the few swords worthy to cross with his was that of Red Sonja, warrior-woman out of majestic Hyrkania. Forced to flee her homeland because she spurned the advances of a king and slew him instead, she rode west across the Turanian steppes and into the shadowed mists of legendry."

It's a dangerous time for the last remaining humans. Captured by the Cylons on New Caprica, the colonists live in fear of what every new day will bring. As the Cylons press their oppressive — and life-threatening agenda — the survivors grow more desperate to reclaim their freedom.

But there's hope. Out in the wilds of New Caprica, beyond the Cylon boundaries, is a band of human freedom fighters.
They answer to no one. They fear no Cylons. They are Twilight Command — and they have a plan.

From writer MICHAEL MORECI (Wasted Space, Archie Meets Batman '66) and artist BRENO TAMURA (Batgirl, The Birds of Prey) comes the untold tale of Twilight Command!

Dynamite Superstar Vampirella got her start in 1969 as a horror comic 'hostess,' and she's gone through 50 years of story evolution since to become the iconic character that we all know and love! While we're celebrating her illustrious career, we're also taking a look back at where this blood-sucking babe got her start!

This Limited Replica Edition of Vampirella #1 is exactly what it says on the tin, a magazine-sized, 66-page celebration of the Daugher of Drakulon's first time in print! This special reprint includes every story and even advertisements exactly as they looked half a century ago! Warren's sharp-eyed editors assembled the best talents across the world to write and draw timeless stories. This first issue features a diverse range of masters, including NEAL ADAMS (Batman, Green Lantern), REED CRANDALL (Blackhawk, EC Comics), longtime JACK KIRBY inker MIKE ROYER, and other greats such as TOM SUTTON, ERNIE COLON and TONY TALLARICO. All under an unforgettable cover by FRANK FRAZETTA.

Ever since hard-drinking, local Woodhaven police officer Lou Garou had a late-night bender and stumbled onto dark magic, his life has been turned upside-down. Now he moonlights as WolfCop, a rage-fueled, bourbon-swilling, magnum-toting, rabid warrior for justice!

Everyone's favorite lycanthropic lawman tears out of the big screen and into this comic to fight bigger, badder and meaner monsters! WolfCop gets caught up in a bit of small-town hospitality when a bordello with dark secrets traps him with his two favorite vices — women and booze. Then when black magic leaves him alone and wolfed-out full time, WolfCop must return home, only for unfamiliar faces to have a surprise party planned for him. Not the fun kind either!

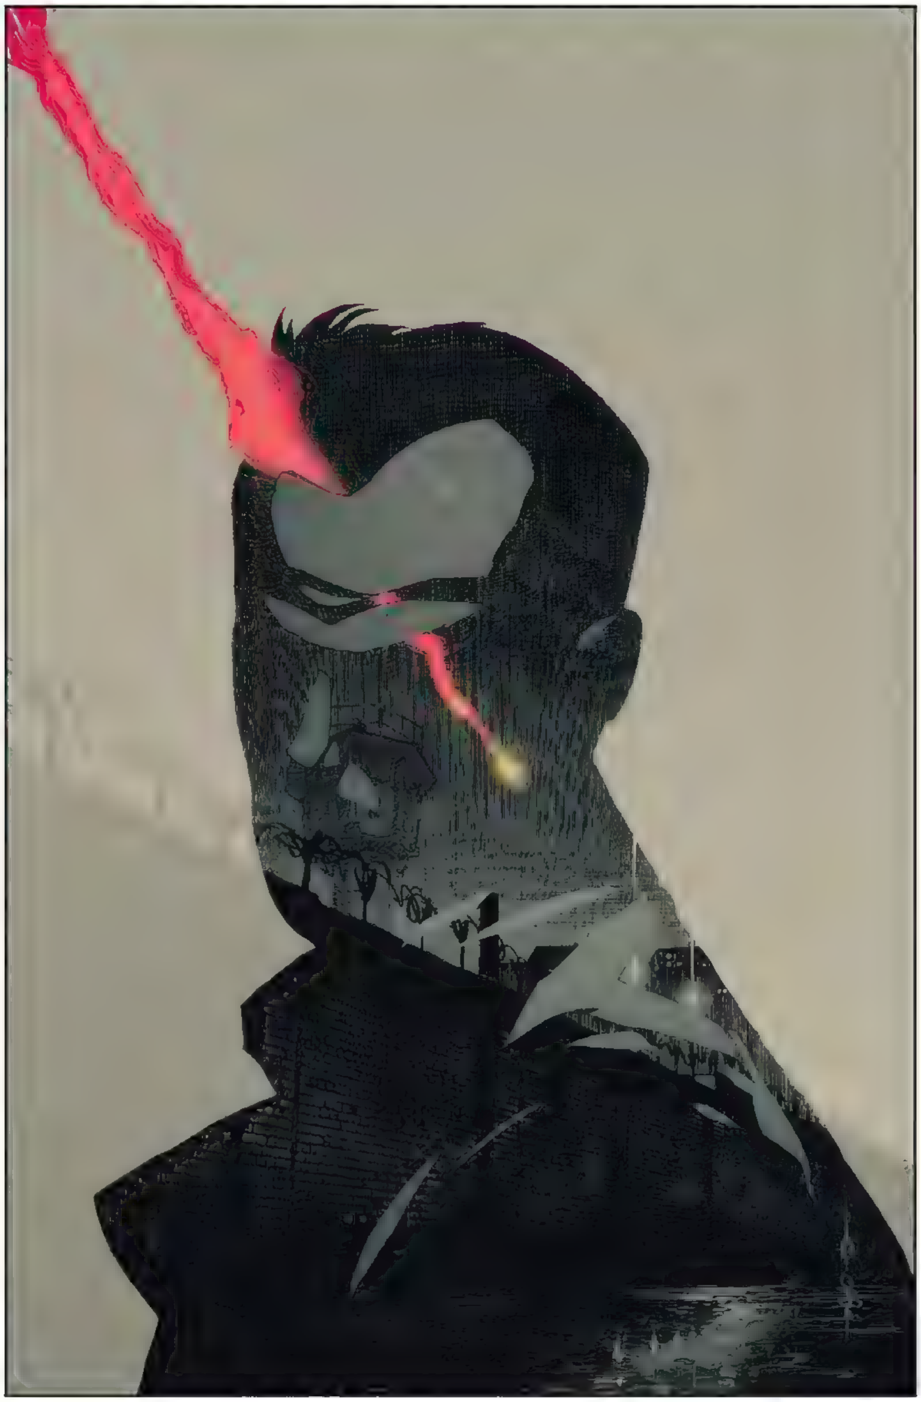
MANKIND MADE IT TO SPACE. AND NOW **SPACE HAS FOLLOWED THEM BACK**.



Herring is a disillusioned American spy stationed in East Berlin, struggling with a Cold War that seems to have no end. Behind enemy lines, he soon learns the Soviets have a secret weapon that could change the tides: an alien monster that they don't understand, and can't control.

The Soviets are about to learn that they're not in charge of the monster—it's already in their minds and has twisted them to its will. Now Herring must find a way to understand the impossible—before it transforms him into a monster unlike any other.

Writer **Jeff Loveness** *(Judas)* and **Lisandro Estherren** *(Redneck)* team up for a story in the spirit of Cold War classics.

Emmy and WGA Award-nominated writer **Jeff Loveness** (Marvel's *Nova)* presents an exploration of the classical biblical character, perfect for fans of *Preacher* and *The Goddamned*.

Judas Iscariot journeys through life and death, grappling with his place in "The Greatest Story Ever Told," and how much of his part was preordained. In a religion built on redemption and forgiveness, one man had to sacrifice himself for everyone… and it wasn't Jesus. Collects the complete limited series.

Faith. Sex. The Devil. Faith likes to dabble with magic. Her friends think it's cute—and not just a little off-putting, but it's part of her charm and her warped search for purpose in a world that makes too much sense. But she's a true believer and knows there is a power within her reach. She's right, of course. It just took a while for that magic, that temptation, that unknowable thing to find her . . . In short—Faith is bored as hell. And Hell has noticed.

New York Times bestselling writer **Brian Azzarello** *(Batman: Damned, 100 Bullets)* and artist **Maria Llovet** *(Loud)* coalesce in a story of self-exploration, eroticism, and maybe even love. Collects the complete 6-issue series.

After a mysterious attack wipes out the major cities of 19th century Japan, Korea, and China, survivors from all three lands find refuge on a hidden island and build a new society. Hana, the daughter of Korean peasants, and Kenichi, son of a great samurai, have little in common except for a mutual disdain for the other. But they will have to work together when an army invades the island with shocking news: there is a new Shogun and the Island is expected to pay fealty in exchange for protection from a new enemy...a mutated horde that threatens to wipe out all humanity.

Bestselling author **Greg Pak** *(Mech Cadet Yu, Totally Awesome Hulk)* and artist **Giannis Milonogiannis** *(Old City Blues, Prophet)* present an idealistic coming-of-age story set against the backdrop of a morally gray time of war. Collects issues 1-4.

The ongoing sequel to cult film, *El Topo*, from cult-favorite filmmaker Alejandro Jodorowsky. Cain and Abel reunite following the death of Abel's saintly mother, but the reunion is not without trouble. Cain's quick to anger and his penchant for hate and violence quickly overcome the brothers already contentious relationship. In a virtuosic journey of untethered magic, corrupted faith, and lust, cult-filmmaker **Alejandro Jodorowsky** and master illustrator **José Ladrönn** continue the complex story of two brothers at odds after the death of their saintly father, the legendary El Topo.

When Mia Corsair, the greatest cat burglar the 1960s had ever seen, woke up in a new world of dial-up and Y2K, the only thing she wanted was to catch back up to where she'd been in 1969: on the verge of her biggest heist ever. Luckily for Mia, the nerd who accidentally unfroze her in the 1990s, Brenda Ospina (Tech Support, City College), might just be able to help her blend in this brave new world, not to mention Brenda's got modern, tech-savvy tricks up her sleeve to help pull off the heist of the new millennium!

Written by **Kirsten 'Kiwi' Smith** *(Legally Blonde)*, **Kurt Lustgarten** *(Misfit City)*, and **Amy Roy** and illustrated by the incredible **Leisha Riddel**, rev up your getaway car and settle in for an adventure unlike any other.

CEREBUS VOL. 5: JAKA'S STORY TP - REMASTERED EDITION

(W/A/CA) Dave Sim

Jaka's Story, the fifth volume of the *Cerebus* series, represents a point of departure for the series, focusing as it does on a small cast of characters, living out their lives in orbital, Thoreau-like "quiet desperation", drawn ever inward, until at last, they inevitably collide. This new edition, painstakingly restored and printed on acid-free paper with a durable sewn binding, reveals astounding detail never before present outside of the original art itself. This volume also includes eight brand-new pages of extras, including a 6,000-word essay by restorer and critic Sean Michael Robinson, discussing the background and "secret origins" of the book, providing historical context for a whole new generation of readers. BACK TO SCHOOL

A graphic-novel adaptation of Octavia E. Butler's groundbreaking science-fiction classic offers an unflinching look at slavery, race, and the role of women in society. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. (W) Erin Williams

In *Commute*, we follow author and illustrator Erin Williams on her daily commute to and from work, punctuated by recollections of sexual encounters as well as memories of her battle with alcoholism, addiction, and recovery. As she moves through the world navigating banal, familiar, and sometimes uncomfortable interactions with the familiar-faced strangers she sees daily, Williams weaves together a riveting collection of flashbacks. Her recollections highlight the indefinable moments when lines are crossed and a woman must ask herself if the only way to avoid being objectified is to simply cease to draw any attention to her physical being. After the death of her father, Ruby Ando tries to reconnect with her estranged and isolated mother, whose hoarder house is a nightmare labyrinth of secrets and dangers. All the love Ruby was never shown she sees her mother lavish on her treasures and trinkets, the possessions that possess her. But when Ruby desperately tries to free her mother, the house wages war, ensnaring both women within its maze. Brought to life by a mother's love, the "Horde" is determined to purge Ruby from the collection—or see her join it forever.

Brought to life by Marguerite Bennett (ANIMOSITY, *DC's Bombshells*, *Batwoman*) and Leila Leiz (ALTERS, *Nvrlnd*), HORDE is a haunting, housebound horror story about the things we let control us.

Presented in an oversized hardcover edition, HORDE is one in a distinctive collection of compelling stories crafted by master storytellers and told in the way they were meant to be told.

THE EPIC SERIES RETURNS!

Two arks were built to survive the Flood. One was filled with the creatures of the natural world. The other was populated by...everything else.

Now that the denizens of the DARK ARK have beaten Noah's Ark to land, a new social order must be created—one based on the rule of monsters. Khalee, a new sorceress, ventures to maintain order amidst the chaos, but her otherworldly masters have a different task in mind. She must devise a way to bring Noah's Ark to the monsters...because the beasts must feed.

From writer Cullen Bunn (UNHOLY GRAIL, BROTHERS DRACUL, WITCH HAMMER, *Deadpool*, *Venom*) and artist Juan Doe (ANIMOSITY: THE RISE, AMERICAN MONSTER, WORLD READER) comes an even more sinister tale of biblical proportions!

The largest retailer in the world requires the best-trained loss prevention staff, and Security Officer Nussbaum defends the company interests at any cost. Life, human rights, rational thought are all secondary concerns. But his world is upended when he finds a society living under the retail outlet—a culture that challenges his notions about consumerism and sense of self. Is he ready for the message? Imagine Judge Dredd working for Amazon, and you've got a hint of what you're in for.

From Patrick Kindlon (PATIENCE! CONVICTION! REVENGE!) and Stefano Simeone (CLANKILLERS) comes SHOPLIFTERS WILL BE LIQUIDATED—a satirical take on the consumer society.

It's the news story of the century! Oliver Flores—the kid on the face of every milk carton in New Mexico—has been found.

Recovering at the hospital, Oliver is finally able to reveal where he's been for the last nineteen years: Along with his stepfather, he was abducted by aliens. And the only real problem with that is...no one believes him. Not the detectives from his case, not the doctors who treated him, not even his biological dad. They're all convinced Oliver is suffering from massive trauma.

Meanwhile, no one seems to notice the suspicious Strangers in Black trying to silence Oliver for good.

Based on a true story from writer Eliot Rahal (HOT LUNCH SPECIAL), with out-of-this-world art from Clara Meath, MIDNIGHT VISTA will make you believe in little grey men.

It started as an anomaly. An outlier in the noise that's so common in astronomical data. But the truth sends the United States—and the world—careening into what will become humanity's LAST SPACE RACE.

Leading the effort for the United States is one man, Sasha Balodis. A fun-loving tech billionaire turned aerospace titan, Sasha's seemingly perfect life has been gripped by recent tragedy. Building and launching the most expensive, most ambitious and most important project in history—well, it gives him something to live for again.

There's only one thing standing in his way: his arch-rival and chief aerospace competitor, Roger Freeman.

Written by Peter Calloway (TV's *Legion*, *Cloak & Dagger*, *Under the Dome*) and drawn by Alex Shibao (*Independence Day*), THE LAST SPACE RACE is an imaginative investigation into wonder, hope and humanity's grandest purpose. Volume One contains issues #1-5.

FBI Special Agents Shaw and McGregor find their reality twisting once more, plunging them into an entirely new dimension of terror. Their guide is Paul Carnahan, the child-killer whose crimes they sought to punish, a man known to be dead and buried. As this all-too-human monster tells his story, the pair begin to understand the web of guilt and evil that has them in its grip – a truth that will demand a dreadful price from both.

Stricken with her own memories of wrongdoing, Deputy-director Driscoll struggles to reach the agents under her command, only to realize that her crimes may already have sealed their fate. Carnahan holds the key – but what now looks out from behind his eyes is a great deal more than just a murderer. Old sins and ancient lies combine to herald a terrifying new dawn for all mankind, in the second and final volume of A WALK THROUGH HELL.

Written by Garth Ennis (*Preacher, The Boys,* JIMMY'S BASTARDS) and drawn by Goran Sudžuka (*Y: The Last Man, Hellblazer*) Volume Two collects the last arc of this modern horror epic, issues #6-12.

Jimmy Regent, Britain's number one super-spy, has got it all: intrigue, adventure, a license to shoot whoever he likes and beautiful women falling at his feet. He also has a new partner who isn't quite as impressed by him as all other women appear to be. But now there's a price to pay for Jimmy's multiple romantic conquests—the results of which are about to come calling in the worst possible way...

With Jimmy triggered into his safe space by the ghastly revelations of his evil progeny, his partner Nancy discovers the truth behind our hero's gruesome fate—but as Jimmy bounces off the walls of a good old-fashioned rubber room, Nancy realizes she's going to have to handle the bad guys solo. Or is she?

And is there one final secret from Jimmy's past that might even shock the ever-unimpressed Nancy to her core...?

Written by Garth Ennis (*Preacher, The Boys*, A WALK THROUGH HELL) and drawn by Russ Braun (*The Night Witches, Where Monsters Dwell*), this complete collection of JIMMY'S BASTARDS contains all nine issues of high octane, nose-thumbing, boundary-buggering super spy action!

WHITE KNIGHT GN

(W/A/CA) Kevin Sacco

It's a snowy night in the early 1960s and Zeppo Abandando, an advertising copywriter, is searching for his eureka moment for an ad campaign. *White Night* tells the story of this search, and in the process, Sacco reveals a loving portrait of Zeppo's world-at home, on Madison avenue, and at Harold's Showspot, his favorite bar. Part fiction, part memoir, *White Night* pays homage to Sacco's real life father, Joe Sacco, telling the story, and through his pitch perfect drawings, Zeppo's search for an aha moment takes on a grander, warmly humanistic meaning. (W/A/CA) Kevin Sacco

In his first work since *The Plane Story*, Kevin Sacco brings us a wordless Civil Rights-era tale of a young boy with a complicated family life who accompanies his family's domestic — Josephine — from his Upper West Side comforts to her neighborhood haunts in Harlem. This journey subtly imbues the boy with a world view as full of blacks, whites and grays as the story's art. At the heart of this narrative is the bond the boy shares with Josephine — until a sinister plot twist casts a dark shadow on their relationship. (STL051756)

WRECKING BALL

DIARY OF A WIMPY KID VOLUME 4: WRECKING BALL HC

(W/A/CA) Jeff Kinney

An unexpected inheritance gives Greg Heffley's family a chance to make big changes to their house. But they soon find that home improvement isn't all it's cracked up to be. Once the walls come down, all sorts of problems start to crop up. Rotten wood, toxic mold, unwelcome critters, and something even more sinister all make Greg and his family wonder if the renovations are worth the trouble. When the dust finally settles, will the Heffleys be able to stay... or will they need to get out of town? (STL132502) (C: 0-1-0)

SURVIVING THE GREAT INDOORS: A BABY BLUES COLLECTION TP

(W) Rick Kirkman
(A/CA) Jerry Scott

The zaniest and most-relatable newspaper comic about parenting life is back with a brand-new collection. *Baby Blues* transcends the comic page by fusing the award-winning imaginations of Rick Kirkman and Jerry Scott with familiar family life. Kirkman and Scott intuitively balance the humorous with the poignant through relatable and sometimes all-too-familiar parenting scenes. This latest collection includes a year's worth of strips, many with commentary by Jerry and Rick. (STL131353) (C: 0-1-0)

DILBERT: DILBERT TURNS 30 TP

(W/A/CA) Scott Adams

As fresh a look at the inanity of office life as it brought to the comics pages when it first appeared in 1989, this new *Dilbert* collection comically confirms to the working public that we all really know what's going on. Our devices might be more sophisticated, our software and apps might be more plentiful, but when it gets down to interactions between the worker bees and the clueless in-controls, discontent and sarcasm rule, as only *Dilbert* can proclaim. The Twenty-Fourth Sherman's Lagoon Collection
JIM TOOMEY

SHERMAN'S LAGOON: IF YOU CAN'T BEAT 'EM, EAT 'EM TP

(W/A/CA) Jim Toomey

Sherman's Lagoon is a fantasy place situated somewhere in the tropics. It's inhabited by a motley crew of sea creatures whose marine lives suspiciously mirror our own. Through his comic strip, cartoonist Jim Toomey explores many of the issues that we face daily in our world on dry land. His characters attempt new business ventures, go on disastrous dates, try fad diets, and read the latest bestselling books. (STL131237) (C: 0-1-0)

Sixteen-year-old Jeremy Duncan is a high school freshman and an aspiring musician. He daydreams about the day when his band, Goat Cheese Pizza, records their first monster hit single and they all pile into his van for their cross-country, sold-out concert tour. Between naps, study hall, and band practice, Jeremy still manages to find time to be the star of the hugely popular comic strip *Zits*. (STL131236) (C: 0-1-0)

THE STEREOTYPICAL FREAKS GN

(W) Howard Shapiro (A) Joe Pekar

High school seniors Tom and Dan consider themselves a "basement band," but when their school puts on a battle of the bands, they decide to rise to the challenge and invite two more students to join them. As they tentatively welcome Mark and Jacoby into the group, they get to know one another and start to see past their differences. They decide to call the band The Stereotypical Freaks because they feel that when people look at them, they see a "smart kid, geek, star athlete, and quiet weirdo." This sweet, brief graphic novel features humor, authentic dialogue, and a great, heartwarming story that touches on bullying, identity, loyalty, and friendship. (STL131804) (C: 0-1-0)

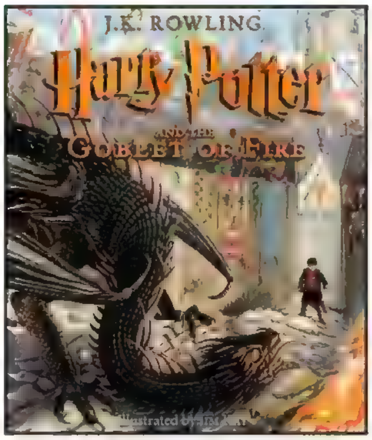
ARTHUR A. LEVINE BOOKS

HARRY POTTER AND THE GOBLET OF FIRE ILLUSTRATED EDITION HC



(W) J. K. Rowling (A/CA) Jim Kay

The fourth book in the beloved Harry Potter series, now illustrated in glorious full color by award-winning artist Jim Kay. Harry Potter wants to get away from the pernicious Dursleys and go to the International Quidditch Cup with Hermione, Ron, and the Weasleys. He wants to dream about Cho Chang, his crush (and maybe do more than dream). He wants to find out about the mysterious event involving two other rival schools of magic, and a competition that hasn't happened for a hundred years. He wants to be a normal, fourteen-year-old wizard. Unfortunately for Harry Potter, he's not normal, even by wizarding standards. And in this case, different can be deadly. This new fully illustrated edition of the complete and unabridged text of *Harry Potter and the Goblet of Fire* is sure to delight fans and first-time readers alike. (STL131791) (C: 0-1-0)

THE UNOFFICAL GUIDE TO GAME OF THRONES SC

(W) Ken Renfro

Spanning every episode across all eight seasons, *INSIDER*'s entertainment correspondent Kim Renfro goes deep into how HBO's *Game of Thrones* was made, why it became such a phenomenon, and explores every detail you want to know. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the HBO series. (STL131275) (C: 0-1-0)

TERROR: HORRIFIED ORIGINAL ART SET

Each Set comes with a unique original 7 x 10 gore sketch painting by Jonatas!

This set is a complete set of all the **STITCHED: TERROR HORRIFIED** editions on #1, 2 and 3! Each **HORRIFIED** issue has an eight page added section that is not seen in regular versions, nor will this content be available in any digital editions. These special bonus pages feature unedited, ultra-intense versions of covers , dripping with gore, nudity, and the extreme versions we had to edit for the covers. These are the the pure, visceral visions of the artists, never-before-seen! Horrified are made even cooler by their extreme rarity – only 1000 copies in total on each of the three issues have these extra pages! This set has all twelve of the Horrified editions that exist with killer original covers by Daniel Gete and Renato Camilo as well as Century covers by Nahuel Lopez!

The finishing touch - Each Set comes with a unique original 7 x 10 gore sketch painting by Jonatas! These are not sketch covers, these are single page, unique, original paintings. Randomly included are many of the original pieces that were used as interior pages for the series!

GEORGE R.R. MARTIN'S A CLASH OF KINGS VOLUME 2 GN

(W) George R. R. Martin, Landry Quinn Walker
(A/CA) Mel Rubi

As chaos grips Westeros, a flaming red comet continues to burn a crimson path across the sky. Some see this fiery herald as a sign of their impending victory. Others see it as a mark of the blood and terror that will soon engulf this divided kingdom. But one thing is certain: none of the six contenders who seek either the Iron Throne, or the lands their ancestors once held as kings, are willing to back down. And as factions scatter or come together, there are many witnesses to the unrest that is to come. Collects issues #7-12. (STL131794)

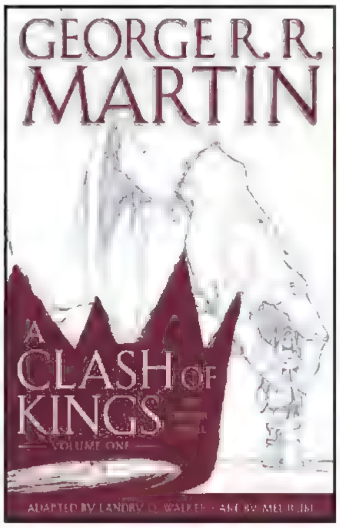
GEORGE R.R. MARTIN'S A CLASH OF KINGS VOLUME 1 GN

(W) George R. R. Martin, Landry Quinn Walker
(A/CA) Mel Rubi



The first volume of a four-part, full-color graphic novel adaptation of the second book in George R.R. Martin's landmark Song of Ice and Fire series. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. From the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns, as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky-a comet the color of blood and flame, six factions struggle for control of a divided land. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard hot desert to win back the crown that is rightfully hers. (STL094463)

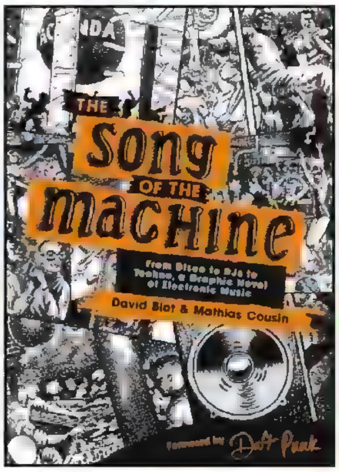
THE SONG OF THE MACHINE: FROM DISCO TO DJS TO TECHNO GN HC



The Song of the Machine
From Disco to DJs to Techno, a Graphic Novel of Electronic Music
David Blot & Mathias Cousin
Foreword by Daft Punk

(W) David Blot & Various
(A) David Blot, Matthieu Cousin
From the disco of the 1970's to the rave culture of the 1990's, *The Song of the Machine* introduces readers to the stars and forgotten heroes of the genre: David Mancuso, the founder of "The Loft" in New York; Larry Levan, resident DJ at the Paradise Garage, the prototype of the modern dance club; Frankie Knuckles, the "Godfather of House Music"; and many more. Set in Studio 54 in New York, the Palace in Paris, the Hacienda in Manchester, and other legendary dance venues around the world, *The Song of the Machine* is told through exciting graphic novel style that evolves with the era of music it describes. STAR WARS: SMUGGLER'S GUIDE HC

(W) Daniel Wallace

Recovered from a strongbox on the *Millennium Falcon*, *Star Wars: Smuggler's Guide* started as a simple logbook with a piece of valuable information. But it was soon stolen, traded, and smuggled around the outer rim and shady ports, through the hands of such notorious characters as Maz Kanata, Hondo Ohnaka, Drydon Vos, and Lando Calrissian, until it ultimately ended up in the hands of the out-law Han Solo. With each pirate, thief, gambler, and criminal who took possession of the book, new insights and details were added, creating a coveted collection of hidden treasure locations, advice, and hard-earned data. A must-have in-world handbook to the galaxy's underworld, *Star Wars: Smuggler's Guide* is a crucial and hugely entertaining read for fans seeking a deeper understanding of the saga. DAKWÄKÃDA WARRIORS GN

(W/A) Cole Pauls
Growing up in Haines Junction, YT, artist Cole Pauls performed in a traditional song and dance group called the Dakwäkãda Dancers. During that time, Pauls encountered the ancestral language of Southern Tutchone. Driven by a desire to help revitalize the language, he created Dakwäkãda Warriors, a bilingual comic about two earth protectors saving the world from evil pioneers and cyborg sasquatches. Pauls' Elders supported him throughout the creation process by offering consultation and translation. The resulting work is a whimsical young adult graphic novel that offers an accessible allegory of colonialism. (STL131629) (C: 0-1-0)

PLUMMET GN

(W/A) Sherwin Tjia

When Amelia "Mel" Eichenwald wakes up one morning, she finds herself in endless freefall towards an Earth that is no longer there, surrounded by the junk of human existence. From high heels to houses, billions of random items drop alongside her like fallout from an exploded mall. Plummet follows Mel as she attempts to survive, find allies, and negotiate the balance between becoming prey or predator. What makes us human and keeps us human when gravity is all there is? How do you take a stand when there is literally no place to sit? (STL131627) (C: 0-1-0)

THE NECRONOMNOMNOM: RECIPES AND RITES FROM THE LORE OF H.P. LOVECRAFT HC

Necronomnomnom
Recipes and Rites

Reading about the slime-covered, non- Euclidean ruins of the sunken city of R'lyeh or the squamous, tentacled deity who slumbers there would make anyone hungry. Starting with the puns and working from there, authors Mike Slater and Thomas Roache have summoned forth 50 funny, bizarre, and horrible dishes such as The Deep Fried Deep One, Nog Sothoth, Cthus-Koos, The Great Old Buns, The Gin and Miskatonic. Like H. P. Lovecraft's *Necronomicon*, the legendary and forbidden book of the dead that is "alien to all sane and balanced readers," this cookbook contains many dark (but still delicious) secrets within its pages. The book comes infested with sanity-melting and mouth-watering illustrations, as well as annotations full of crazed discoveries and desperate warnings about the recipes that brave readers will undertake. SMEDLEY GN

(W/A) Jeff McComsey

Major General Smedley Butler is one of the most decorated Marines of all time and is a legend among the Corps. Through conflicts like the Philippine-American War, the Boxer Rebellion, the Banana Wars, and the War to End All Wars, he helped define what the Marine Corps is today. Smedley starts in 1932 when Butler is retired from the Marines and has lost his bid to be a Pennsylvania senator. When he is invited to speak at the Bonus Army encampment in Washington D.C., he arrives early to mingle with the other veterans, who press him for stories about his legendary exploits. From there he flashes back to some of his most exciting deployments. Along the way, he goes from a boy who cowers at every gunshot, to a man who leads the charge. (STL132524)

ALL QUIET ON WESTERN FRONT GN

(W/A/CA) Wayne Vansant

BACK TO SCHOOL

Caught up by a romantic sense of patriotism and encouraged to enlist by authority figures who would not risk their lives to do the same, Paul Bäumer and his classmates join the fighting in the trenches of the Western Front. He is soon disenchanted by the constant bombardments and ruthless struggle to survive. Through years in battle, Paul and those he serves with become men defined by the violence around them, desperate to stay as decent as they can while growing more and more distant from the society for which they are fighting. Hailed by many as the greatest war novel of all time, Erich Maria Remarque's masterpiece, *All Quiet on the Western Front*, is an elegant statement on a generation of men destroyed by war. STRANGER THINGS
THE FIRST OFFICIAL STRANGER THINGS NOVEL
SUSPICIOUS MINDS
GWENDA BOND

It's the summer of 1969, and the shock of conflict reverberates through the youth of America, both at home and abroad. As a student at a quiet college campus in the heartland of Indiana, Terry Ives couldn't be farther from the front lines of Vietnam or the incendiary protests in Washington. But the world is changing, and Terry isn't content to watch from the sidelines. When word gets around about an important government experiment in the small town of Hawkins, she signs on as a test subject for the project, code named MKULTRA. But behind the walls of Hawkins National Laboratory lurks a conspiracy greater than Terry could have ever imagined. (STL131787) (C: 0-1-0)

LAST OF THE AMERICAN GIRLS HC

From Green Day and co-authored and illustrated by artist Frank Caruso, comes a timely, inspiring illustrated rendition of the Grammy winning band's classic hit "Last of the American Girls," the song *Rolling Stone* called "a fabulous left-wing love song to a rebel girl..." One of the most important and influential artists of their generation, the high-energy rock band Green Day has continued to inspire millions of fans worldwide with their music, political views, and iconoclastic conviction. Now, they transform their *Billboard* hit "Last of the American Girls" into a full-color illustrated book of the song's lyrics. Celebrating true rebel girls —— girls who push back, girls who use their voice, girls who say no — *Last of the American Girls* takes on both the establishment and the upwardly mobile, espousing an infectious spirit that has never been more relevant. THE WORLD ACCORDING TO STAR WARS
CASS R. SUNSTEIN
READ BY KALEO GRIFFITH

There's Santa Claus, Shakespeare, Mickey Mouse, The Bible, and then there's *Star Wars*. Nothing quite compares to sitting down with a young child and hearing the sound of John Williams' score as those beloved golden letters fill the screen. In this fun, erudite, and often moving book, Cass R. Sunstein explores the lessons of *Star Wars* as they relate to childhood, fathers, the Dark Side, rebellion, and redemption. Ultimately, Sunstein argues, *Star Wars* is about freedom of choice and our never-ending ability to make the right decision when the chips are down. (STL131805) (C: 0-1-0)

GAIJIN
AMERICAN PRISONER OF WAR
a graphic novel by Matt Faulkner

GAIJIN: AMERICAN PRISONER OF WAR GN

(W/A) Matt Faulkner

San Francisco, 1941: America has just declared war on Japan. With a white mother and a Japanese father, Koji Miyamoto quickly realizes that his home is no longer a welcoming one. Streetcars won't stop for Koji, and his classmates accuse him of being an enemy spy. When a letter arrives from the government notifying him that he must go to a relocation center for Japanese Americans, he and his mother are forced to leave everything they know behind. Once there, Koji soon discovers that being half white in the internment camp is just as difficult as being half Japanese in San Francisco. (STL132455) (C: 0-1-0)

Sanity and Tallulah are going on a field trip, to a real live planet! Some of their classmates are nervous (none of them have been on a planet before, and they've heard terrible things), but Tallulah is beside herself with excitement. Sanity would be more excited if her grumpy older sister, Prudence, wasn't coming along to supervise the trip. Things get off to a rocky start (asteroid-y start, to be specific) and Sanity and Tallulah find themselves separated from their school group, pursued by a pirate, and stranded on a planet that's about to explode, with nothing but the wreckage of a crashed space shuttle and the contents of Tallulah's overloaded backpack to work with. These best friends will have to stretch their problem-solving skills to the limit in order to get everyone home safe! (STL132452) (C: 0-1-0)

Love and Rockets cartoonist Gilbert Hernandez returns with *Bumperhead*, a companion book to *Marble Season*. Bobby, a young slacker, narrates his life as it happens but offers very little reflection on the events that transpire. Bobby lives in the moment exclusively, and is incapable of seeing the world outside of his experiences. He comes of age in the 1970s, making a rapid progression through that era's different subcultures; in a short period of time he segues from a stoner glam-rocker to a drunk rocker to a speed-freak punk. He drifts in and out of relationships with friends, both male and female. Life zooms past him. (STK649132)

THE FRIGHTFEST GUIDE TO WEREWOLF MOVIES SC

(W) Gavin Baddeley, Neil Marshall
Over the past century, a diverse pack of lycanthropes has manifested on the silver screen, in big-bucks blockbusters and zero-budget B-movies. Within these colorful pages we will encounter reluctant wolfmen and shapeshifting sadists, Nazi werewolves and werewolf nuns, big bad fairytale wolves and lycanthropic nymphomaniacs. Finding fresh perspectives on established classics, uncovering neglected gems, and even examining a few howlers among the definitive selection of werewolf movies reviewed, Baddeley shows how the myth has adapted and transformed: whereby werewolves become analogies for alcoholism or adolescence, or ciphers for sexual awakening or serial murder. All is revealed in the *FrightFest Guide to Werewolf Movies.*

REINCARNATION STORIES

By Kim Deitch

$29.99 / HC / 276 pgs / BW / 8" × 10.5"

Kim Deitch's new graphic novel is a tour de force exploring the concept of reincarnation. Beginning when Deitch was four years old and an elderly man mistakes him for a long-dead friend, Deitch weaves a dizzying path of reincarnation stories with appearances by Frank Sinatra, monkey gods and a parallel reality where Deitch is the megasuccessful creator of a series of kids books. Deitch's storytelling mastery has never been more fully on display and this graphic novel is certain to be a staple on 2019 "Best of" year-end lists.

TOMI UNGERER

UNDERGROUND SKETCHBOOK

By Tomi Ungerer; Introduction by Steve Brodner

$19.99 / HC / 160 pgs / two-color / 10.25" × 7.25"

Originally published in 1964, children's book illustrator Tomi Ungerer's *Underground Sketchbook* lets loose a blast of social commentary, dada-esque observations, and existential angst, raging against avarice, unfettered consumerism, alienation, the mechanization of human experience, and the acquiescence to the worst instincts that fuel a modern economy — as timely now as it was then. This is as powerful a dose of visual ingenuity, moral outrage, and bemused disgust at the human comedy that you are ever likely to experience.

THE HOUSE

By Paco Roca

$19.99 / HC / 132 pgs / FC / 9.5" × 7"

In Paco Roca's award-winning graphic novel, *The House*, three adult siblings return to their vacation home after their father's death. They gather to clean up the residence but as garbage is hauled off, old resentments fill the vacant home. Through flashbacks, we glimpse moments of joy, guilt, and disappointment while asking what happens to a family when the person holding it together is now gone. At once deeply personal and entirely universal, *The House* details the struggle to overcome the past, but still hold onto the memories.

THE DEVIL'S DICTIONARY

By Ambrose Bierce and Keith Bendis

HC / 104 pgs / FC / 6.5" ×8.5"

Ambrose Bierce, a contemporary of Mark Twain's, is known for his irreverent wit, sharp sarcasm, and sardonic view of human nature. His perennial classic of American satire, *The Devil's Dictionary*, offers biting observations that lampoon people, politics, American society, and its most cherished institutions. Acclaimed *New Yorker* cartoonist Keith Bendis has chosen a sampling of Bierce's most wickedly funny definitions to bring to life through illustration. Bierce's acerbic wit has met its perfect match with Bendis' humorous, tongue-in-cheek watercolor drawings.

THE SCIENCE AND ETHICS OF IMMIGRATION

OPEN BORDERS: THE SCIENCE AND ETHICS OF IMMIGRATION

(W) Bryan Caplan
(A) Zach Weinersmith

Economist Bryan Caplan makes a bold case for unrestricted immigration in this fact-filled graphic nonfiction illustrated by SMBC creator Zach Weinersmith. American policymakers have long been locked in a heated battle over whether, how many, and what kind of immigrants to allow to live and work in the country. Those in favor of welcoming more immigrants often cite humanitarian reasons, while those in favor of more restrictive laws argue the need to protect native citizens. But economist Bryan Caplan adds a new, compelling perspective to the immigration debate: He argues that opening all borders could eliminate absolute poverty worldwide and usher in a booming worldwide economy, greatly benefiting humanity. Available in softcover and hardcover editions. (STL131568) (C: 0-1-0)

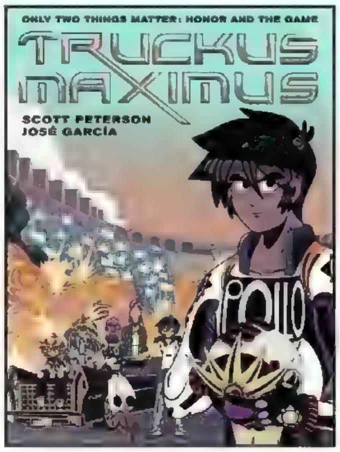
TRUCKUS MAXIMUS GN

(W) Scott Peterson (A) Jose Garcia



In this YA graphic novel, gladiators of the modern-day Roman Empire are enslaved teenagers who race monster trucks on reality TV. In a near-future world where the Roman Empire never fell, only two things matter: honor and The Game. "The Game" is *Truckus Maximus*, a competition where drivers race against one another to the death. The best of the best is a young driver named Axl. The leader of Team Apollo, Axl drives hard and lives by a strict code of honor. That honor will be pushed to its limits by the Caesar, the cunning ruler of the Roman Empire, and the Dominus, the absolute master of the *Truckus Maximus* games who can change its rules at will. But Axl can't survive this race on his own. To do that, he'll have to embrace his team, including a defiant new racer named Piston. Will he learn that family is more important than honor and The Game? Or will he go down in flames? (STL131570) (C: 0-1-0)

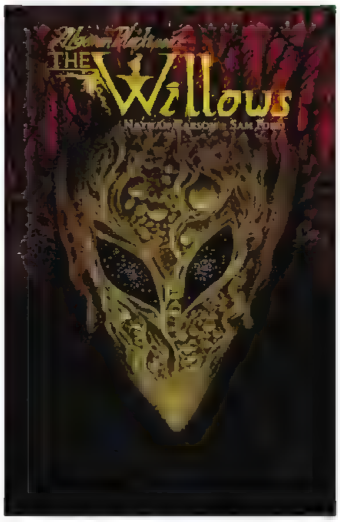
FLOATING WORLD COMICS



ALGERNON BLACKWOOD'S THE WILLOWS GN

(W) Algernon Blackwood, Nathan Carson (A) Sam Ford

Algernon Blackwood's immortal novella of extra-dimensional weirdness on the Danube comes to vivid life in graphic comic form thanks to the incredibly detailed black-and-white linework of talented newcomer, Sam Ford. Two adventurous women, one British, one Swedish, encounter strange horrors in the Hungarian wilderness of 1907. What they discover on that crumbling sandbar makes them question their sanity, fear for their lives, and revel in otherworldly strangeness. Readers familiar with the story will delight in seeing it depicted in such painstaking, quality illustrations. And those for whom it is new will want to leave a light on for many nights after. ALL THE ANSWERS GN

(W/A/CA) Michael Kupperman

Eisner Award-winning writer and artist Michael Kupperman traces the life of his reclusive father, the once-world-famous Joel Kupperman, Quiz Kid. That his father is slipping into dementia means that the past he would never talk about might be erased forever. Joel Kupperman became one of the most famous children in America during World War II as one of the young geniuses on the series *Quiz Kids*. With the uncanny ability to perform complex math problems in his head, Joel endeared himself to audiences across the country and became a national obsession. With wit and heart, Michael Kupperman presents a fascinating account of mid-century radio and early television history, the pro-Jewish propaganda entertainment used to counteract anti-Semitism, and the early age of modern celebrity culture. All-Star Western #10

Cover Price: 25¢

1973 Overstreet Price: 25¢

2018 Overstreet Price: $850

Known for: The first appearance of bounty hunter Jonah Hex, in the story "Welcome to Paradise." In the story, Jonah has been hired by the mayor to take out Big Jim's Raiders, a gang that's been terrorizing the town of Paradise Corners. Jonah eventually tracks down Big Jim himself, and kills him.

Did You Know?: *All-Star Western* was a book published three times by DC Comics - first from 1951 to 1961, second from 1970 to 1972, and most recently from 2011 to 2014. This particular issue featuring Jonah Hex's debut was part of the second volume. In all cases, the books were Western cowboy anthology books that included stories focusing on a variety of characters, including Pow-Wow Smith, El Diablo, Johnny Thunder and the Trigger Twins among several others. Jonah Hex proved to be a standout character, and continued to star in Vol. 2 of the series even after it changed its title to *Weird Western Tales* with issue #12. Jonah Hex starred in his own series in the 1990s and into the 2000s as well.

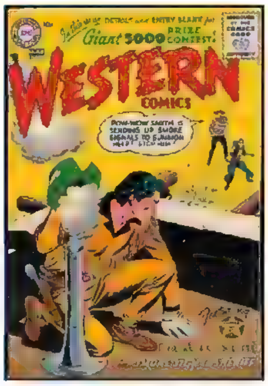
Beyond the Capes and Cowls



These days, the term "comic book" is practically synonymous with superhero stories specifically – powerful figures sporting capes who take to the skies in order to defend our fair cities from threats of all sorts. Of course, despite superheroes easily being the most popular figures in comic book pages, these stories are hardly the only genre to take advantage of the art form.

In fact, comic stories existed for decades before we were graced with the debut of Superman in *Action Comics* #1. These funny pages could be found in tabloids and newspapers before they were sold as true comic books, and often would be trying to promote or sell some sort of product as a marketing ploy in addition to simply telling a joke per page.

Romance stories, Westerns, horror, true crime, and simple humor tales are just a few of the big genres that have been popular in comic books over the years. So how are these – and other more niche books – doing in the market today?

In *The Overstreet Comic Book Price Guide* #49, our friends and advisors at DTAcollectibles.com, David T. Alexander, Tyler Alexander and Edward Wendt answered the simple question of "what was popular last year?" with quite a diverse reply.

"The simple answer is everything. If it appeared in print there is somebody somewhere that wants it. Golden Age titles and most Silver Age issues are popular in all grades," they said.

These fine folks made sure to document a number of books that they've noticed have shown a bump in collector interest over the last year that they wouldn't consider to be in the mainstream, including:

- Auto racing stories
- Religious-themed issues
- Big Little Books
- Western comics (specifically with pre-WWII characters)
- Pulp magazines with war, mystery and science fiction covers
- Foreign comics published before 1955
- Pre-1944 funny animal comics

And there are even more beyond that – but we won't spoil their whole market report here.

It just goes to show that, while superhero stories are still the bread and butter of the comic book industry at large, collectors today are digging into more obscure genres beyond the capes and cowls to add to their collection. Maybe you'll find your collection's next gem in one of these non-hero genres, too!

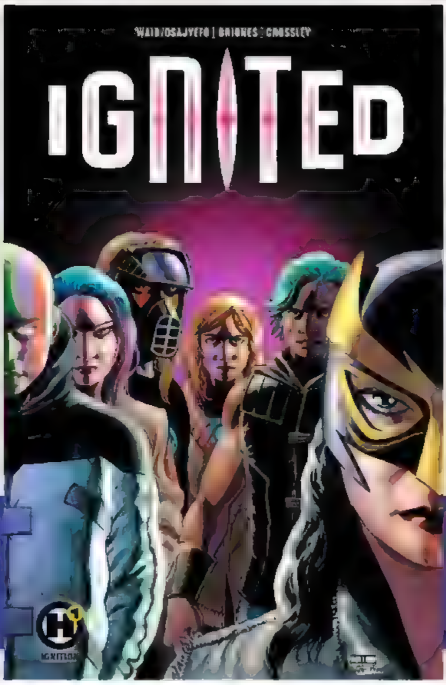
SUPERHERO | SCI-FI | DRAMA

The lives of six teenagers are changed forever when tragic chaos ensues in their high school. Now the power to restore order is literally in their hands.

It's the first day back at Phoenix Academy High—but this year, there's no back to school excitement in the air, as returning students and faculty are haunted by memories of last year's horrific attack. So many friends and colleagues were lost, and some of those who survived underwent changes—they IGNITED, gaining supernatural abilities they barely understand. Little do they know this is just the beginning...



> "**IGNITED** plants a flag for **H1 Comics**. It shows the line isn't afraid to touch upon real world issues. It shows it's not afraid to touch upon controversial issues and take a stand. This comic will piss a lot of people off for that. And they'll be the ones missing out and what is the beginning of an intriguing new world."

BIOGRAPHY | SUPERNATURAL | SLICE OF LIFE

A biographical tale that follows Hollywood revolutionary Rod Serling's rise to fame in the Golden Age of Television, and his descent into his personal Twilight Zone.

Before he became *The Twilight Zone*'s revered master of science fiction, Rod Serling was a just a writer who had to fight to make his voice heard. He vehemently challenged the networks and viewership alike to expand their minds and standards—rejecting notions of censorship, racism and war. He pushed the television industry to the edge of glory, and himself to the edge of sanity. Rod operated in a dimension beyond that of contemporary society, making him both a revolutionary and an outsider.

Thirty years from now, in response to a global economic crisis, the US has enacted Article 10, commonly known as "The Return". The lasting result of this law, which made advanced technology illegal, has been rapidly escalating tension between the Augmented, who have chosen to integrate technology into their bodies, and the Authentic, who have not. Kita Sovee, the mysterious leader of the resistance movement known as Neon Future, strives to bring peace by showing the world a brighter future in harmony with technology. The Counter Terrorism Guard (CTG), the government's draconian police force, resists Kita's efforts at every turn.

GAME ON IN ANCIENT GREECE

(W) Linda Bailey (A) Bill Slavin

Josh, Emma and Libby Binkerton return to the Good Times Travel Agency, but this time, with a plan to travel to the future, to the next Olympic Games. What could go wrong? Well, plenty! Like when the owner of the shop misunderstands and sends the children to the ancient Olympic Games instead in fifth-century BCE Greece! The Binkertons try to make the best of things. But after discovering some eye-opening facts about the ancient Games, causing a pile-up at the chariot races and having to run for their lives to escape the upset locals, the trio find themselves perilously close to disaster aboard a warship! Can the children finish reading the guidebook that will transport them back to the present before it's too late? (STL131635) (C: 0-1-0)

LIVES OF THE GREAT OCCULTISTS GN

(W) Kevin Jackson
(A) Hunt Emerson

Since the dawn of humanity, there have been individuals who want to mess around with Hidden Powers. Some were Mystics, some were Scientists, some were Charlatans. All were pretty bonkers. Including Faust, Giordano Bruno, William Blake, WB Yeats, Dr. Dee, Kenneth Anger, Mother Shipton, Madam Blavatsky, Isaac Newton, David Bowie, and, repeatedly, Aleister Crowley. Centuries of eccentric, bizarre lives. (STL132675)

DEATH OF THE MASTER GN

(W/A) Patrick Kyle

An absurdist, art brut rumination on society's structures presented in Patrick Kyle's singular style. After the sudden death of a beloved patriarch who promised eternal life to his followers, a topsy-turvy society attempts to reconcile the deluded teachings of their late leader with the harsh reality he left behind. Nova Huang is still young, but she's one of the most powerful witches in New England. She spends her days working in her grandmothers' spell book shop and her nights hunting down the supernatural. Tam Lang, a genderqueer werewolf, was Nova's childhood crush. Tam has been wandering from place to place for years until the one fateful night they find themselves back in their hometown… battling a giant horse demon in the woods. Tam turns to Nova for help, and their latent feelings are rekindled against the backdrop of witchcraft, untested magic, occult rituals, and family ties both new and old in this enchanting tale of self-discovery.

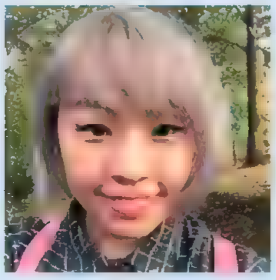
A NOTE FROM THE CREATORS



Dear readers,

Mooncakes began on the eve of separation, in spring of 2015, as Suzanne was preparing to move back to Chicago and Wendy remained in New York. Our creative partnership became a way to keep our friendship alive and thriving, the space where we could connect across the country. It's fitting, then, that *Mooncakes* is a story of reunion—two childhood crushes who find each other again and find out whether their friendship could be something more.

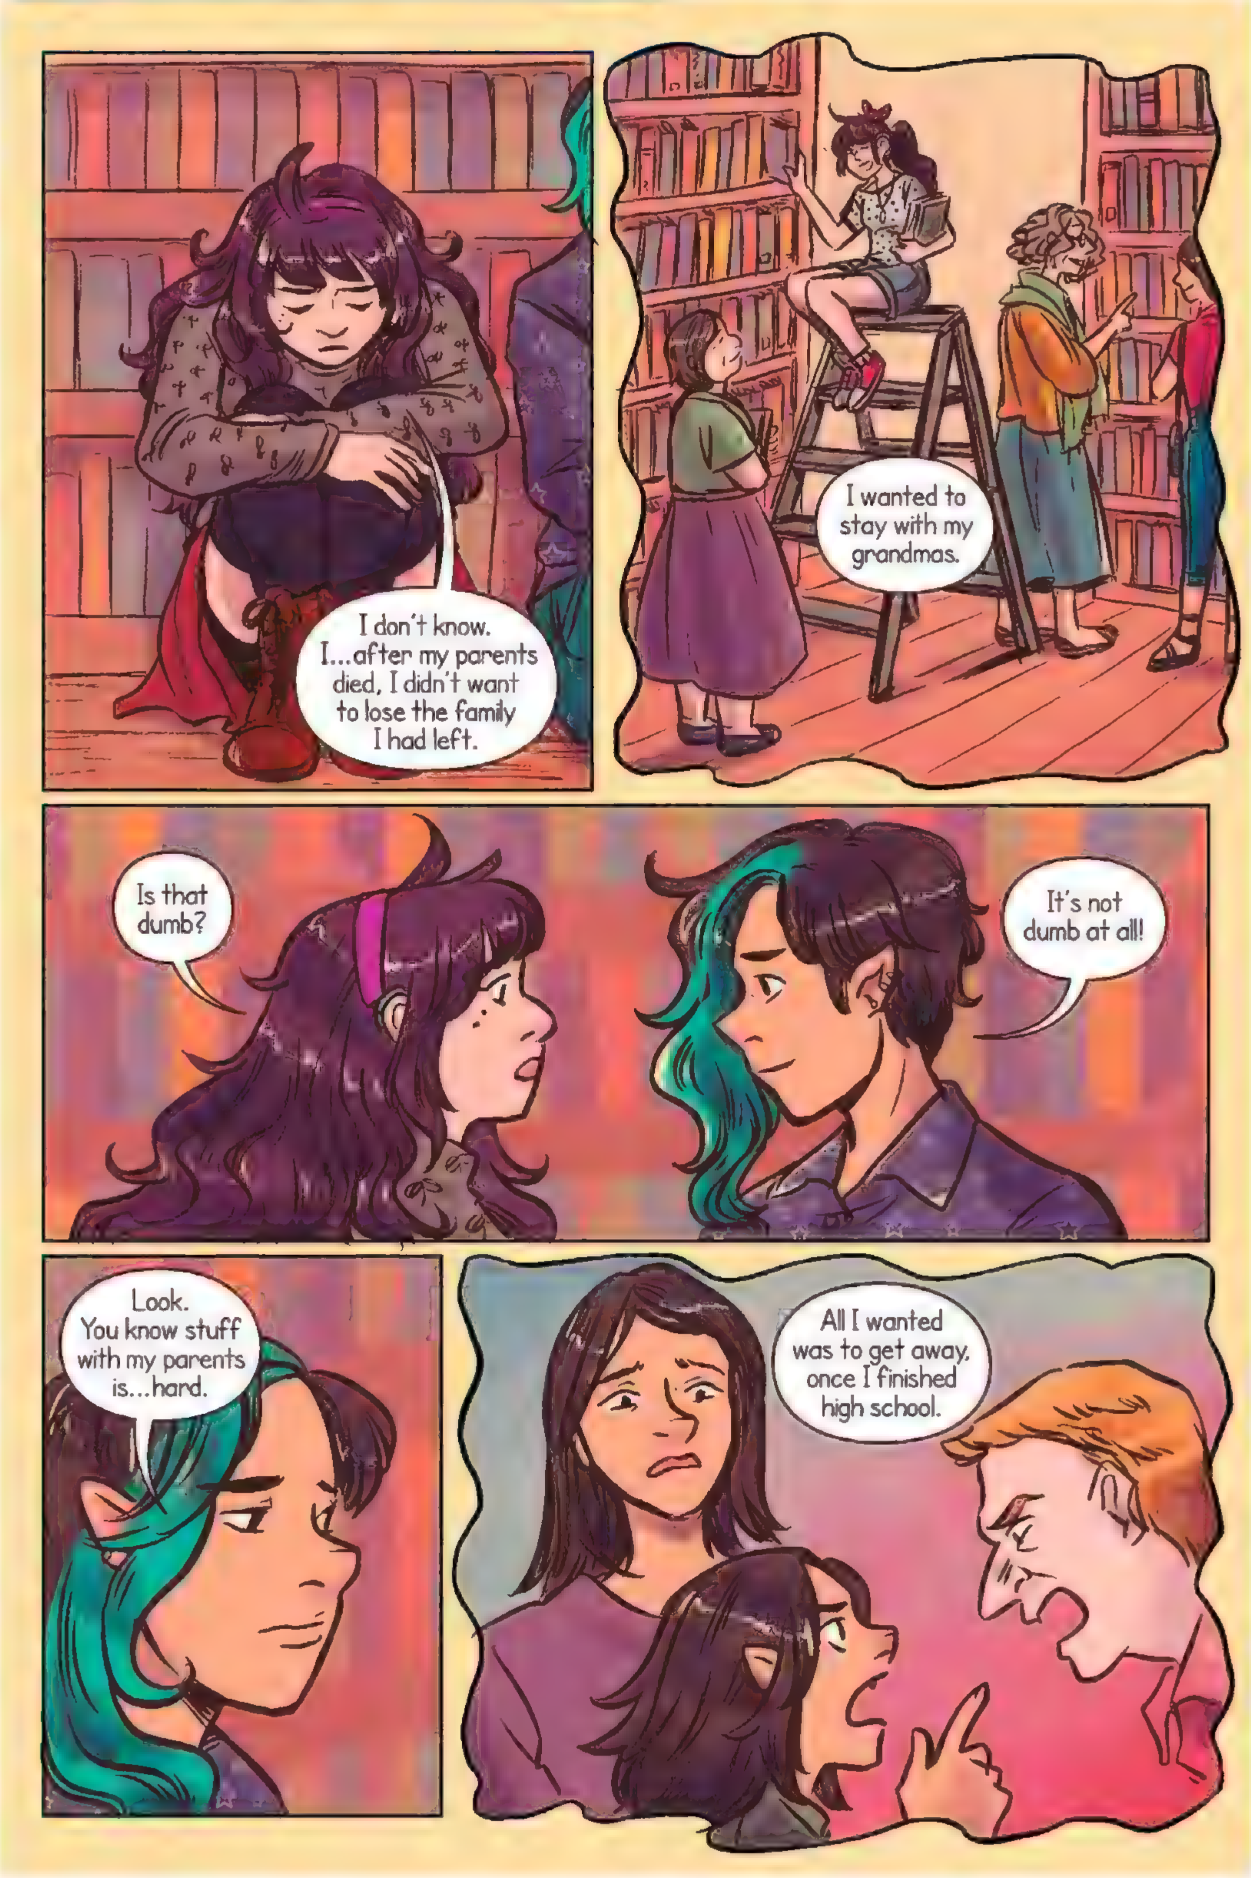
Nova and Tam are many things. They are both Chinese American, queer, and from unconventional families. Nova is hard-of-hearing and Tam is nonbinary; they each have their own form of magic. But these aspects of their identity don't make the story. Tam is a terrible punster who has been lonely and in flux all their life; in returning to the one place that felt like home, they have a chance to discover who they are and what they want. In contrast, there is a bit of innocence to Nova: she has stayed in one place her whole life and is only now starting to wonder if she could do more. Amidst the supernatural mysteries and horse demons, these are the questions Nova and Tam must answer as they discover what they mean to each other.

It was important to us that our heroes have a strong support network; we took great joy in developing Nova's grandmothers, her best friend Tatyana, and Terry Shin the pigeon bro. Amidst their struggles, Nova and Tam thrive in a vibrant, rich world brought to life by Wendy's beautifully detailed art. Above all, we hope for a story that resonates with those who are suckers for an old-fashioned love story, with a touch of modern magic. They are a witch and a werewolf, after all.

Thank you for reading!

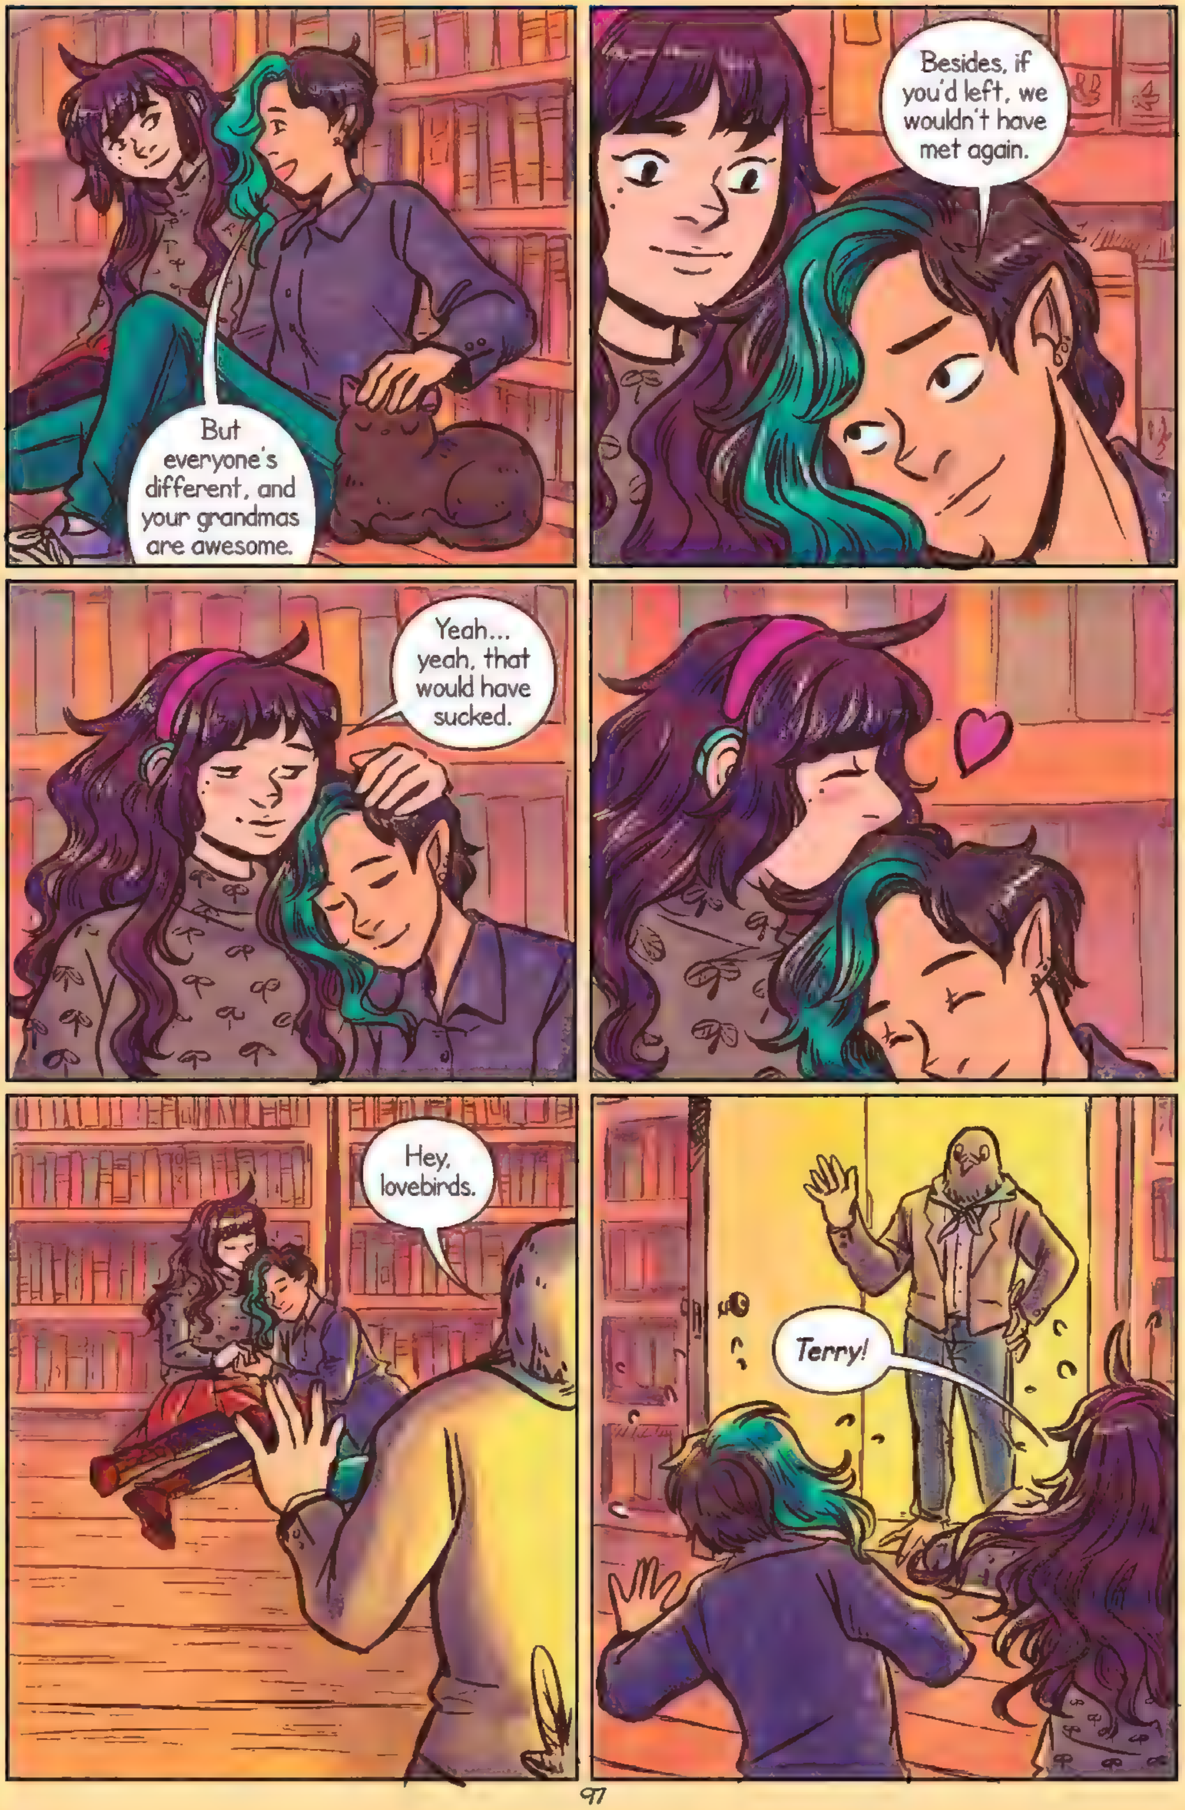
-Wendy and Suzanne

A PAGE FROM *MOONCAKES*



I don't know. I...after my parents died, I didn't want to lose the family I had left.
I wanted to stay with my grandmas.
Is that dumb?
It's not dumb at all!
Look. You know stuff with my parents is...hard.
All I wanted was to get away, once I finished high school.

A PAGE FROM *MOONCAKES*



But everyone's different, and your grandmas are awesome.
Besides, if you'd left, we wouldn't have met again.
Yeah... yeah, that would have sucked.
Hey, lovebirds.

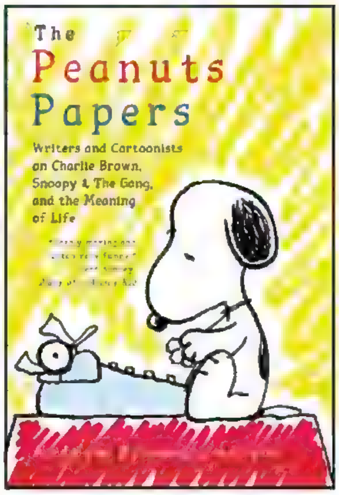
THE PEANUTS PAPERS: CHARLIE BROWN, SNOOPY, AND THE MEANING OF LIFE HC

(W) Andrew Blauner



The Peanuts Papers
Writers and Cartoonists on Charlie Brown, Snoopy & The Gang, and the Meaning of Life

Peanuts, Charles Schulz's beloved comic strip, has given the world a cast of characters for the ages. Here, in an unprecedented collection of thirty-two essays, artists and writers ranging from Ann Patchett to Chris Ware consider the deeper truths of *Peanuts*, its influence on their lives and on the culture more broadly, and the lessons it can teach us about disappointment, melancholy, and those fleeting moments of warm-puppy happiness. The contributors reflect on the experience of discovering Peanuts as a child, their identification with its characters and predicaments, and, for the artists in the book, the momentous effects of their encounters with the strip on their later careers. *The Peanuts Papers* is an enchanting, poignant gathering of responses to the greatest American comic strip, enabling us to see it anew in fresh and revealing ways. The Untold Story of the Women Who Transformed the World of Disney and Made Cinematic History

THE QUEENS OF ANIMATION HC

(W) Nathalia Holt

Behind the beloved animated films of Walt Disney Studios, which have moved and entertained millions of viewers, was an incredibly influential group of women who have slipped under the radar for decades. For the first time, bestselling author Nathalia Holt recounts their dramatic stories, showing how these women infiltrated the all-male domain of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable storylines that have become part of the American canon. Over the decades, while battling sexism, domestic abuse, and workplace intimidation, these women also fought to transform the way female characters are depicted to young audiences. THE BRUCE LEE WAY: MOTIVATION, WISDOM, AND LIFE-LESSONS FROM THE LEGEND HC

(W) Shannon Lee, Tom Baker
Bruce Lee was more than a movie star or a martial artist. For many people, he was a living example of the incredible things a person can accomplish through dedication, perseverance and sheer force of will. In just 33 years before his untimely death, Bruce Lee created new styles of fighting, and became an international film star, television personality, philosopher and cultural icon in the process. This inspirational new book presents a carefully curated selection of photos, stories, anecdotes and ephemera, plus favorite film notes, lines and commentary from friends, family, peers and rivals. It distills the iconic fighter's approach and show how we can all live richer, fuller lives by following his example. (STL131638) (C: 0-1-0)

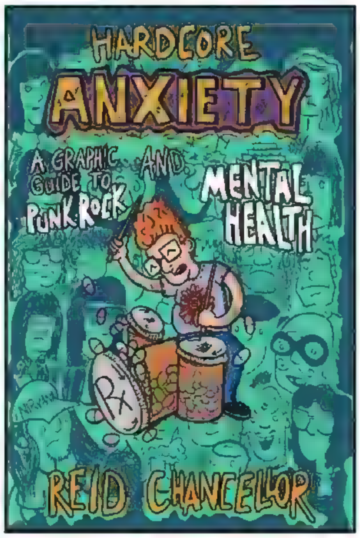
HARDCORE ANXIETY: THE GRAPHIC GUIDE TO PUNK ROCK & MENTAL HEALTH SC



(W/A/CA) Reid Chancellor

Punk rock and mental health have been intertwined since the very beginning. Nervous breakdowns, anxiety, seeking acceptance, attempting to overcome internalized demons, and reacting to harmful and oppressive systems-punk rock embodies and emboldens all our feelings and experiences, positive and negative. *Hardcore Anxiety* charts and tracks punk movements from the 70s till today, from small towns to stadiums, from the struggles in our heads to the people actively harming us in our communities. Told from the point of view of a young man discovering punk and working through mental illness, this stunning nonfiction graphic novel gives punks the most important advice of all: "You aren't alone. You're going to make it through alive." (STL132559) (C: 0-1-2)

THE HANDMAID'S TALE GN

(W) Margaret Atwood (A) Renee Nault

In the Republic of Gilead, a Handmaid named Offred lives in the home of the Commander, to the purpose that she become pregnant with his child. Stripped of her most basic freedoms, (work, property, her own name), Offred remembers a different time, not so long ago, when she was valuable for more than her viable ovaries, when she was mother to a daughter she could keep, and when she and her husband lived and loved as equals. Darkly prescient, scathingly sarcastic, and eminently frightening, *The Handmaid's Tale* has only gained relevance since it was originally published, and remains one of the most powerful, widely read stories of our times. O/A SILK ROAD TO RUIN GN

(W/A/CA) Ted Rall

Part graphic novel travelog, part tongue-in-cheek travel guide, here are the adventures of caustic cartoonist Rall in the wild and wooly central Asian countries, a powder keg sitting on tomorrow's oil... Combines articles with comics chapters relating his experiences retracing the old legendary Silk Road starting with the sublime history of China and ending in the absurdity of the petty dictatorships of the "The 'Stans" where Rall had the temerity to go back, including once with a group of listeners to his radio show, on a dare. It's exotic adventure, satire and a fun way to find out more about a part of the world that looms in importance with its immense reserves of oil. (STK633350)

David Heatley
A GRAPHIC MEMOIR IN TWELVE STEPS

(W/A) David Heatley

David Heatley had an unquestionably troubled and eccentric childhood: father a sexually repressed alcoholic, mother an overworked compulsive overeater. Then David's parents enter the world of 12-step programs and find a sense of support and community. It seems to help. David, meanwhile, grows up struggling with his own troublesome sexual urges and seeking some way to make sense of it all. Eventually he starts attending meetings too. More and more meetings. Meetings for issues he doesn't have. With stark, sharply drawn art and unflinching honesty, Heatley explores the strange and touching relationships he develops, and the truths about himself and his family he is forced to confront while "working" an ever-increasing number of programs. (W/A) Art Baltazar

Young Gillbert is the prince of the underwater world of Atlanticus. Together with his best friend Sher-bert and mysterious new friend Anne Phibian, Gillbert is curious to where all these bottled messages floating throughout the ocean are coming from. Could the fiery Pyrockians from space have something to do with it? Or maybe it is something more mysteriously monstrous? Plus, Gillbert must deal with be-ing a new big brother, when his little sister Matilda is actually much, much bigger than him! The most fun had under the sea since "The Little Merman"! Created by Tiny Titan's Art Baltazar! Available in softcover and hardcover editions. (STL119909)

It's been some time since Vincent has had a good day. Sitting on the bus, he still doesn't know that his life is about to change. Forever. At that moment, outside the bus, Lady lets a little smile escape when recalling an anecdote about tomatoes. Vincent sees the smile and his world turns upside down. Now, armed with his nerdy RPG friends (not counting Bu, who is like a sister to Vincent and full of solid wisdom), an impressive magic act, and a insatiable love of roast beef sandwiches (no pickles, Vincent hates pickles), he must learn how to navigate his first non-platonic love and what may happen if things don't go as planned (as they often do in the life of Vincent). Certified Cool

Ogden Whitney was one of the unsung masters of American comics. Best remembered for co-creating the satirical superhero Herbie Popnecker, Whitney's romance comics of the late 1950s and 1960s may be even more unique. In Whitney's hands, the standard formula of meet-cute, minor complications, and final blissful kiss becomes something very different: an unsettling vision of midcentury American romance as a devastating power struggle, a form of intimate psychological warfare dressed up in pearls and flannel suits. From suburban lawns and offices to rocket labs and factories, his men and women scheme and clash, dominate and escape. (STL131660) (C: 1-1-0) **NOTE:** Not available in England & Ireland

THE BATTLE OF BRITAIN GN

(W) Dale Carothers, Daniel DeVargas
(A) Esteve Polls

The Battle of Britain is a full-color graphic novel that follows the Royal Air Force as they defend the United Kingdom against the infamous German Luftwaffe. Drawing from historical documents and firsthand accounts, the book details the events that led up to the four-month campaign, the fight to end the Nazi bomb attacks, and the long-term impact on air force strategy. By September of 1940, hundreds of British fighter planes were destroyed or damaged and the German Blitz was underway. Learn how the Royal Air Force came back from near-defeat, shot down the Nazi aircraft, and prevented Hitler from gaining the air superiority he needed for his planned invasion. (A) Jay Disbrow, Iger Shop

This one's a wacky entry and no denying, with Canadian publisher Superior Comics coming into the four-color horror ring all gloved up and swinging fit to punch the lights out of anybody who stood in their way. The tales were bizarre and quirky, with pens, pencils and plots coming from, among others, Jay Disbrow and the Igor Shop. Writer and illustrator Jay E. Disbrow worked as a comic book artist during the 1950s and he is especially remembered for his pre-Code horror comics, and has become (certainly around the PS offices) a cult favorite for his stories filled with demons, ghostly apparitions and other monsters. SILVER AGE CLASSICS: OUTER SPACE VOLUME 2 HC

(A) Rocco Mastroserio & Various

This series is a bona fide brute, overlooked and unloved, and not to be missed a jot. But, hey, don't listen to me, just take a look at the cover of the first issue in this sumptuous volume and then try and convince both me and your own good self that you won't bother with this one. But that would be a mistake, particularly with writers and artists including Charles Nicholas, Vince Alascia, Bill Fraccio, Ernie Hart, Bill Molno, Matt Baker, Maurice Whitman, Rocco Mastroserio and John D'Agostino. Collects *Outer Space* #22-25 (May-December 1959) and *Space War* #1 (October 1959). (STL131929) (C: 0-1-1)

This wonderfully strange, dark, and hilarious picture book version of Shakespeare's greatest tragedy boils it down to its smallest possible size: 100 words, give or take, and fifteen etchings that look like the lovechild of Beatrix Potter and Edward Gorey. In our despondent antihero, a lop-eared bunny Hamlet with handbag in tow, is somehow embodied all the tremendous pathos of Shakespeare's Danish Prince. (W) Micol Ostow

An original novel based on the hit television series! An old town tradition is being revived: the Riverdale Revels. The festival supposedly has a long history, dating back to the town's settlers' first successful maple tapping. But there's no record of the Revels anywhere. Archie, Betty, Veronica, and Jughead think there must be more to the story. And when a skeleton is uncovered in a 75-year-old time capsule on the first night of the festival, they know they're right. But a dead body in a maple barrel isn't the only drama surrounding the Revels. The Royal Maple pageant (open to all Riverdale teens) is in full swing, but "accidents" keep befalling the contestants, including the gang's friends. MOZART IN PARIS GN

(W/A) Frantz Duchazeau
In 1778, Wolfgang Amadeus Mozart (1756-1791) leaves Salzburg for Paris. The French capital promises to liberate the 22-year-old from the suffocating grip of his father and from a city that is unable to accommodate his genius. But there is no grand entrance for the former child prodigy. When Mozart arrives in Paris, he is cash-strapped, unknown, and his French is limited. His mentor, the critic Baron von Grimm, introduces him to a number of Parisian nobles. With these contacts, recognition is still hard-won; the French court appears indifferent to Mozart's talents and disapproving of his spontaneity at times. Tracing the composer's six-month stay in the city of lights, Mozart in Paris dramatizes the confrontation between a bright-eyed genius and everyday reality. MOVIES OF 1960S HC (BIBLIOTHECA EDITION)

BACK TO SCHOOL

The 1960s marked a transitional decade in the film industry. As art, mass market, and pop culture merged and collided in true pop art style, cinema swirled with psychedelic energy. This handbook gathers the best films of the era, exploring the making and the mastery of such cinematic star turns as *The Leopard*, *The Birds*, *Belle du Jour*, *A Fistful of Dollars*, and *Doctor Zhivago*. Filmmakers embraced the freedom to explore the possibilities of film as an art form. Meanwhile, *Mary Poppins* and *The Sound of Music* ushered out the grandiose Hollywood musical era with a bang while the Spaghetti Western became an instant phenomenon. Bond, James Bond, first appeared onscreen and Kubrick set new standards for sci-fi with *2001: A Space Odyssey*. The decade was also one of major advances in female characterization, and it was the 1960s that saw women on-screen graduate from decorative accessories to complex, kick-ass personas. DELUXE EDITION

JACK KIRBY COLLECTOR #78

Published 25 years after the launch of *The Jack Kirby Collector* #1, this special Silver Anniversary issue shows how Kirby kickstarted the Silver Age of Comics with *Challengers of the Unknown*, examines how Jack revamped Golden Age legacy characters for the 1960s and beyond, outlines the lasting influence of his signature creation *The Silver Surfer*, and more! It includes special shout-outs to the fan and pro contributors who've helped publisher/editor John Morrow celebrate the life and career of the King of Comics for a quarter century. And echoing John's fateful choice to start this magazine in 1994, we'll spotlight pivotal decisions (good and bad) Jack made throughout his comics career. Plus: A Kirby pencil art gallery, regular columnists, a classic 1950s story, and more! The Standard Edition sports an unused Kirby Thor cover with Steve Rude's interpretation of how it looked before alterations, while the Deluxe edition adds a silver cardstock outer sleeve featuring the Surfer with Rude inks. AMERICAN COMIC BOOK CHRONICLES: THE 1990S HC

The 1990s was the decade when Marvel Comics sold 8.1 million copies of an issue of the *X-Men*, saw its superstar creators form their own company, cloned Spider-Man, and went bankrupt. It was when Superman died, Batman had his back broken, and the runaway success of Neil Gaiman's *The Sandman* led to DC Comics' Vertigo line of adult comic books. It was the decade of gimmicky covers, skimpy costumes, and mega-crossovers. But most of all, the 1990s was the decade when companies like Image, Valiant, and Malibu published million-selling comic books before the industry experienced a shocking and rapid collapse! HARDCORE GAMING 101 PRESENTS: JAPANESE VIDEO GAME OBSCURITIES HC

(W) Kurt Kalata

Japan has produced thousands of intriguing video games. For any number of reasons, not all of them were ever released outside of the country, especially in the '80s and '90s. While many of these titles have since been documented by the English-speaking video game community, and in some cases, even unofficially translated, a huge proportion of the Japanese game output is unknown outside of their native territory. *Hardcore Gaming 101 Presents: Japanese Video Game Obscurities* seeks to catalogue many of these titles, games that are weird, compelling, strange, cool or historically important. MY DOG IVY #1

(W/A) Gabrielle Bell

The latest from the fertile mind of one of America's best cartoonists, Gabrielle Bell. Gabrielle is in for trouble when she over-enthusiastically answers a call to house sit a small Minnesota home for a month. Complete with 2 cats and a neurotic golden retriever named Ivy, the month long "vacation home" proves to be a gargantuan responsibility. As she awkwardly attempts to fill into the void left by the pet owners, Gabrielle's only salvation is the turbulent relationship forged with the dog Ivy. (STL132018)

HOLY HANNAH GN

(W/A) Will Dinski

Holy Hannah is a graphic novel about belief, selfhood, and indoctrination into a religious cult. Loosely based on the life of the notorious Jim Jones, Will Dinski's *Holly Hannah* is a close look at the thin line dividing religious belief from cult worship. The massive tome is the apotheosis of Dinski's go-to themes where he explores ways in which people's lives become intertwined in unexpected and frequently toxic ways. (STL131623) (C: 0-1-0)

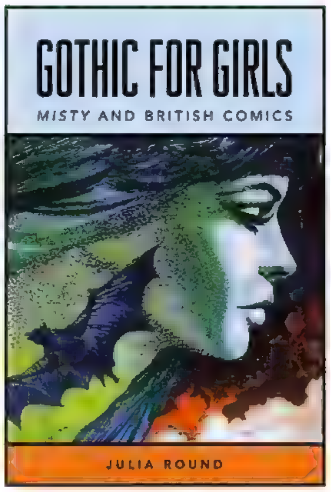
Harriet E. H. Earle



COMICS, TRAUMA, AND THE NEW ART OF WAR SC

(W) Harriet E.H. Earle
(A) Alissa Torres, Art Spiegelman

Conflict and trauma remain among the most prevalent themes in film and literature. Comics has never avoided such narratives, and comics artists are writing them in ways that are both different from and complementary to literature and film. Harriet E. H. Earle brings together two distinct areas of research — trauma studies and comics studies — to provide a new interpretation of a long-standing theme. Earle concentrates on trauma in American comics after the Vietnam War. Examples include Alissa Torres's American Widow, Doug Murray's *The 'Nam*, and Art Spiegelman's much-lauded *Maus*. GOTHIC FOR GIRLS: MISTY AND BRITISH COMICS SC

(W) Julia Round
(A) Pat Mills & Various

Fans still remember and love the British girls' comic *Misty* for its bold visuals and narrative complexities. Yet its unique history has drawn little critical attention. In the first book on this topic, Round closely analyzes Misty's content, including its creation and production, its cultural and historical context, key influences, and the comic itself. Largely based on Round's own archival research of this comic and richly illustrated with previously unpublished photos, scripts, and letters, this book uses Misty as a lens to explore the use of Gothic themes and symbols in girls' comics and other media. JEFF SMITH: CONVERSATIONS SC

(A) Jeff Smith

First with his magisterial fantasy *Bone* to his mind-bending, time-warping sci-fi noir *RASL*, Paleolithic-set fantasy *Tüki: Save the Humans*, arthouse-styled superheroic miniseries *Shazam!*, and his latest children's book Smiley's Dream Book, Jeff Smith (b. 1960) has made an indelible mark on the comics industry. As a child, Smith was drawn to Charles Schulz's *Peanuts*, Carl Barks's *Donald Duck*, and Walt Kelly's *Pogo*, and he began the daily practice of drawing his own stories. After writing his regular strip *Thorn* for The Ohio State University's student paper, Smith worked in animation before creating, writing, and illustrating his runaway success, Bone. This volume collects career-spanning interviews with Smith. (STL131997) (C: 0-1-0)

SUPERMAN IN MYTH AND FOLKLORE SC

(W) Daniel Peretti

BACK TO SCHOOL

Superman began in comic books, but people have so embraced the character that he has now become part of folklore. This transition from popular to folk culture signals the importance of Superman to fans and to a larger American populace. Superman's story has become a myth dramatizing identity, morality, and politics. Through examinations of tattoos, humor, costuming, and festivals, Peretti portrays Superman as a corporate-owned intellectual property and a model for behavior, a means for expression and performance of individual identity, and the focal point for disparate members of fan communities. As fans apply Superman stories to their lives, they elevate him to a mythical status. (STL132000) (C: 0-1-0)

VISIBLE CITIES, GLOBAL COMICS: URBAN IMAGES AND SPATIAL FORM SC

(W) Benjamin Fraser
(CA) Frans Masereel

BACK TO SCHOOL

Benjamin Fraser explores the representation of the city in a range of comics from across the globe. Comics address the city as an idea, a historical fact, a social construction, a material-built environment, a shared space forged from the collective imagination, or as a social arena navigated according to personal desire. The works selected comprise a variety of international, alternative, and independent small-press comics artists, from engravings and early comics to single-panel work, graphic novels, manga, and trading cards. Fraser touches on many themes of modern urban life: activism, alienation, consumerism, flânerie, gentrification, the mystery story, science fiction, sexual orientation, and working-class labor. VAULT VINTAGE HONORING: FRANCESCO FRANCAVILLA

Eons ago, visitors from outer space buried an item of unimaginable power in the primordial swamps that would one day become King Lake—a quaint little basin on the edge of Whisper, USA. Millions of years later, a comet's radioactive waves awaken the monster slumbering beneath the lake. As the beast feeds on America's sweet, delicious youth, brain slugs infect the quiet town, causing victims to vomit up their kill-hungry, zombified skeletons. But for seventeen-year-old Jarrod Parker, none of that stuff matters much. For him, this isn't about the Apocalypse. It's about payback. Nothing—not his friends, not the undead, not even the end of the world—will keep him from vengeance.

VAULT VINTAGE HONORING: JOHN BYRNE & JOE SINNOTT

In the near future, space travel is ludicrously expensive and largely ignored. Enter Christine Ocampos, inventor of the Star Shot teleportation device with a big idea: She'll travel to new worlds, engage—intimately—with local aliens, and film her exploits for a jaded earth populace trying to find something new on the internet. Now, Chris and her merry band of scientist-cum-pornstars explore the universe, each other, and the complexities of sex in MONEY SHOT!

A story about scientists having sex with aliens for the glory of mankind—and money.

THESE SAVAGE SHORES

“One for me... A fresh, dark twist on classic horror.”
- SCOTT SNYDER

Two centuries after the first European ship sailed to the Malabar Coast and made landfall at Calicut, The East India Company seeks to secure its future along the lucrative Silk Route, in the year 1766. An old evil now sails aboard a company ship, hoping to make a home in this new found land. But he will soon find that the ground along the Indus is an ancient one with daemons and legends far older than himself.

Along These Savage Shores, where the days are scorched and the nights are full of teeth.

BACK TO SCHOOL

Destined to be a treasure for the millions of fans who made Neil Gaiman's *American Gods* an internationally best-selling phenomenon, this beautifully designed and illustrated collectible edition of Neil Gaiman's revered masterpiece features enlightening and incisive notes throughout by award-winning annotator and editor Leslie S. Klinger. His trenchant commentary identifies gods and supernatural beings, elucidates key phrases, and shows how Gaiman built his award-winning novel, giving readers unparalleled insight into the story and into Gaiman's creative process and authorial decisions. Carefully chosen illustrations complement and illuminate the narrative. (STL131057) (C: 1-1-0) **NOTE:** Available only within the United States and U.S. Territories.

ENVIOUS SIBLINGS & OTHER MORBID NURSERY RHYMES HC

(W/A/CA) Landis Blair

ENVIOUS SIBLINGS
AND OTHER MORBID NURSERY RHYMES

Inspired by the dark imagination of Edward Gorey, *Envious Siblings* is a twisted and hauntingly funny debut. Landis Blair interweaves absurdist horror and humor into brief, rhyming vignettes at once transgressive and hilarious. In Blair's surreal universe, a lost child watches as bewhiskered monsters gobble up her fellow train passengers; a band of kids merrily plays a gut-churning game with playground toys; and two sisters, grinning madly, tear each other apart. These charmingly perverse creations take ordinary settings — a living room, a subway car, a playground — and spin them in a nightmarish direction. (STL131059) (C: 0-1-0)

MORE ABOUT MANGA!

MANGA, pronounced "MAHN-gah," is the Japanese word for all comics. More generally, **manga** refers to comics made in Japan and comics made by Japaese creators.

Japanese publishers release **zasshi**, anthology magazines, rather than single issues. Manga series within each zasshi compete for popularity via reader polls. Winning manga are serialized into bound volumes called **tankoban**.

Don't Be Cruel, Volume 8

Story and Art by Yonezou **NEKOTA**

It's been a while since Maya and Nemu have had any alone time, so they can't help but go a little overboard when they finally see each other! But later that same night when Maya's friend Ruka has a severe asthma attack, Maya sneaks out to help him, and when Nemu asks him the next morning where he went, Maya quickly changes the subject. Is a bad habit from Maya's playboy days rearing its ugly head? And what will Nemu do when he finds out the truth?

DISNEY MULAN: A KILALA PRINCESS STORY
ISSUE #1

Kilala was an ordinary girl living an ordinary life until a magical tiara and a miraculous portal led her on an incredible journey through the worlds of her favorite Disney princesses, and gave her the strength she needed to save a kingdom and become a true princess.

But being a princess isn't easy and Kilala's tiara sends her on a new quest... this time to ancient China's greatest warrior, Mulan! Bandits are roaming the countryside, and Mulan and Shang are on an imperial mission to help the villagers relocate to safer grounds. Kilala and her friends step in to help, but when they're overpowered by a team of bandits they must all work together to free themselves.

SERVANT & LORD

Christian has always admired handsome, talented composer Daniel. Their shared appreciation for music marked the beginning of a friendship between a willful boy and a sophisticated young man... But when tragedy strikes and circumstances twist around to put Daniel in the service of Christian's wealthy family, their bond is tried in unexpected ways.

Years ago, the universal language of music drew them toward one another. Now, Christian has to hope it's still enough to bridge the gap between their vastly different lives.

DEAD DEAD DEMON'S DEDEDEDE DESTRUCTION Vol. 7

Story and Art by Inio Asano

International relations are crumbling as the hotheaded American president demands that the Japanese government share what they know about Invader technology. But the Japanese prime minister has more important things to think about than diplomacy—he wants to make sure his favorite idol is in the bunker with him when the mother ship blows. Meanwhile, the Occult Club is taking a trip to the seashore to meet with someone who claims to have had an extraterrestrial experience! The silly lark ends up revealing something shocking about Oran's past, but at least the scenery is lovely!

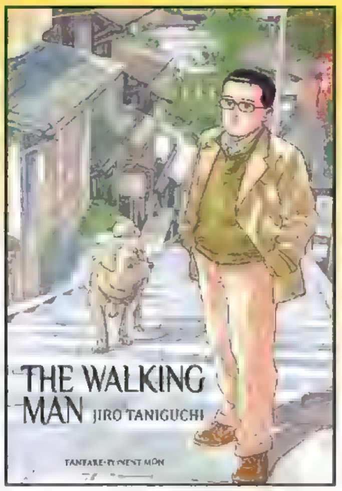
THE WALKING MAN: 10TH-ANNIVERSARY EDITION HC



(W/A/CA) Jiro Taniguchi

Taniguchi's iconic tales of a meandering Japanese business man who strolls at random through urban Japan, often silent, usually alone, with his vivid dreams that let time stand still. Join him as he takes time out to observe the birds, climbs a tree in bare feet, plays in puddles after the rain and returns a shell to the sea. A book in which nothing happens but everything occurs. Now presented in the original Japanese sense of reading out of respect for Taniguchi's wishes. Four additional independent short stories have been added and also 28 pages in color have been included where they existed in the original material. Lumachina has set out to reform the corrupted Church! Choosing to help her, Diablo finally makes his way to the Royal Capital. Even though a great battle against the Paladins looms ahead, Diablo is certain of his victory, for the new equipment he's gained from his Treasure Vault is overwhelmingly powerful by this world's standards. But before the battle can commence, the Church's believers stand in Diablo's way, powerless and helpless. Not wishing to fight them, Lumachina is imprisoned by the Church and falsely blamed for crimes she didn't even commit! The High Priest, the pacifist she is, accepts even this unjust treatment, but Diablo can't just sit idly and let that pass! (STL132044) (C: 1-1-0)

Kazusa was a quiet middle schooler, but she arrived in high school determined to make friends. So (as a huge Harry Potter fan) she decides to join the literature club. When one of the club's icebreakers is "say one thing you want to do before you die," one of the girls blurts out "sex." The prudish club president, the class beauty, and the other nerdy girls' reactions are wildly different. Far from a typical sex comedy, *O Maidens in Your Savage Season* depicts how these girls challenge and support one another when that word pushes them onto a variety of clumsy, funny, painful, and emotional paths towards adulthood. THAT TIME I GOT REINCARNATED AS A SLIME VOLUME 11 GN

(W) Fuse (A/CA) Taiki Kawakami

Mikami's middle age hasn't gone as he planned: He never found a girlfriend, he got stuck in a dead-end job, and he was abruptly stabbed to death in the street at 37. So when he wakes up in a new world straight out of a fantasy RPG, he's disappointed but not exactly surprised to find that he's facing down a dragon, not as a knight or a wizard but as a blind slime demon. As players of *Monster Hunter* and *Dungeons & Dragons* know, the slime is not exactly the king of the fantasy monsters. But there are chances for even a slime to become a hero! (STL131955) (C: 1-1-0) **NOTE:** Not available in Australia, Singapore or the Philippines.

TOKYO TARAREBA GIRLS VOLUME 9 GN

(W/A/CA) Akiko Higashimura

"I spent all my time wondering 'What if?' Then one day I woke up and I was 33." Rinko has hustled her whole life, but one day she wakes up and finds herself a writer of a cheap online soap opera with only two friends (with whom she goes drinking most nights). In a booze-fueled delusion, she swears to get married by the time the Tokyo Olympics roll around in 2020, but it's not going to be a straight line... and there won't be any fairy tale endings! THE ART OF BARON YOSHIMOTO HC (BILINGUAL EDITION)

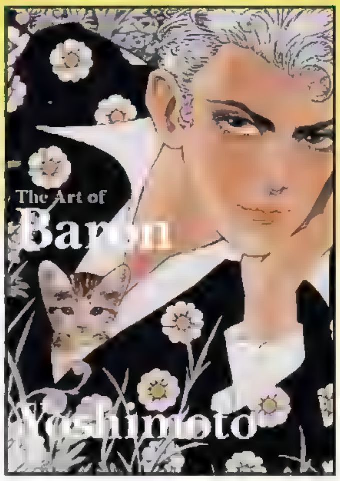
(A) Baron Yoshimoto



From Baron Yoshimoto's vast collection of works from his 60-year career ranging from *Gekiga* (comics aimed at adult audiences with a dramatic and cinematic style and more mature themes) and illustrations to paintings on paper and canvas, this book introduces 120 artworks from his entire career. For the first time ever, this book collects Yoshimoto's works from the 1980s, when he spent time in the US. Works from exhibitions under the name "Ryu Manji" in the 1990s and works from Yoshimoto's live drawing event done in collaboration with Katsuya Terada are showcased, as well. As a *Gekiga* illustrator and a painter, readers will enjoy Baron Yoshimoto's life and work from various aspects. A rare and important interview with Katsuya Terada is included as a special feature. This is the definitive collection of Katsuya Terada's black marker artworks, which have been displayed at his exhibitions both domestically and internationally, and of course including illustrations from his live drawing events. Containing over 150 illustrations, each work is displayed at 16% of the original to show the whole artwork, along with the original size (real size) showing part of the artwork but revealing the detail and sensitivity of Terada's work. The variety and the scale of these works are overwhelming. All the artworks were drawn with a black marker and in one shot without any rough drafts, an unbelievable fact that proves Terada's exceptional talent. (STL132139) (C: 0-1-1)

It's been seventeen long years since a mysterious, unmanned fleet of powerful vessels that appeared out of nowhere took control of the oceans. Now, a weapon powerful enough to damage the fleet's vessels has finally been invented, and there's just one way of getting the critical information and prototypes from Japan to America, where the weapon can be produced. The submarine I-401, with its humanoid avatar—a "mental model" named Iona, who's taken the shape of a young girl—was once part of the Fleet of Fog, but has chosen to side with humanity. Captained by Chihaya Gunzo and his crew, the I-401 is the only ship under human control that can move freely through the seas. But she answers only to her captain, and he answers to no one. CITY VOLUME 6 GN

(W/A/CA) Keiichi Arawi

From Keiichi Arawi, the creator of hit series *nichijou*, comes a new slapstick comedy series about a penniless college student who moves to a town filled with bizarre people. Nagumo is in a bit of a bind. She's a college student, and like many people in her situation, is struggling with money. She is in debt and her landlord is trying to shake her down for rent. Asking her friends no longer works! They know her deal and they do not have the cash to prop her up, even temporarily. So what is she supposed to do under these circumstances? Well maybe bullying would help. Maybe petty theft? Neither one is realistic. Maybe getting a job would settle things... But that means working and not having fun in the big city. That also means not spending all your earnings before paying your rent. (STL132053) (C: 1-1-0) **NOTE:** Not available in Australia and New Zealand.

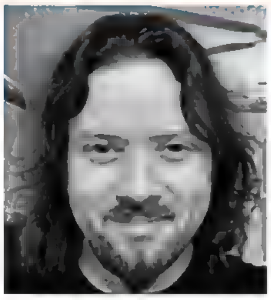
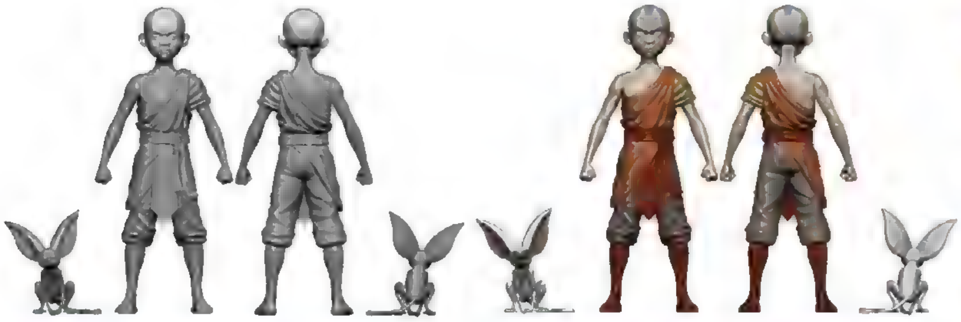
TOY TALK: RICHARD FORCE



Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome *Diamond Select Toys Sculptor,* RICHARD FORCE...



PREVIEWS: How did you get involved in the toy industry as a designer/sculptor?

Richard Force: Like many (or most?) of my fellow sculptors, a young life of drawing, painting and generally weaving back and forth — with varying degrees of dedication to illustration — eventually transitioned into clay sculpting after discovering the underground garage figure kit hobby. Learning that sculptors pretty much sculpted, molded and cast all manner of monsters, heroes, fantasy movie and other pop culture figures, pretty much blew my mind and I instantly became obsessed with becoming a sculptor!

So, I taught myself. Looked at as many magazines and anatomy books as I could, of course. But pretty much just spending all my time working to make stuff in clay that looked decent.

That was back around 1993-ish, so it was word of mouth, phone calls, and eventually going to model figure kit conventions to network, etc.

That eventually led to sculpting statues for the pre-paint industry, then action figures.

P: How has you experience in traditional sculpting helped you now in digital sculpting?

RF: Having the benefit of being a traditional sculptor and illustrator was invaluable, as it was pretty much just learning the interfaces of the various go-to sculpting/modeling programs and "transferring" my traditional skillset to the digital tools of Zbrush. On that note, the program of choice for pretty much everyone in the industry is ZBrush.

It has been an amazing game-changer for me and so many of my colleagues. I am very happy that I literally "got with the program" and made the transition to digital sculptor! By the way, another great fringe benefit to mention is the way in which digital benefits traditional and vice versa. The way they strengthen each other synergistically is wonderful.

P: What was your process for sculpting the Avatar: The Last Airbender Action Figures for Diamond Select Toys?

RF: Diamond Select provides reference materials and I start working from there. I sculpt the figures as they appear in the turnaround views, making sure that all details are correct. Then, joints are cut into the figures as needed.

P: You also worked on the Castlevania Select Action Figures. Can you talk more about that project?

RF: *Castlevania Series 1* was the first project I did for DST. I happen to be a big fan of the show, so it was a lot of fun to be able to work on the figures!

P: Finally, tell us what is your favorite part of the toy design process?

RF: My favorite part is sculpting the figures; adding the details and establishing the likenesses of the characters as the sculptures progress. Basically, just seeing them take shape. The sculptural part of the process, before any articulation is added to the figure, is my favorite part. Adding the articulation is a unique and fun challenge, as well.

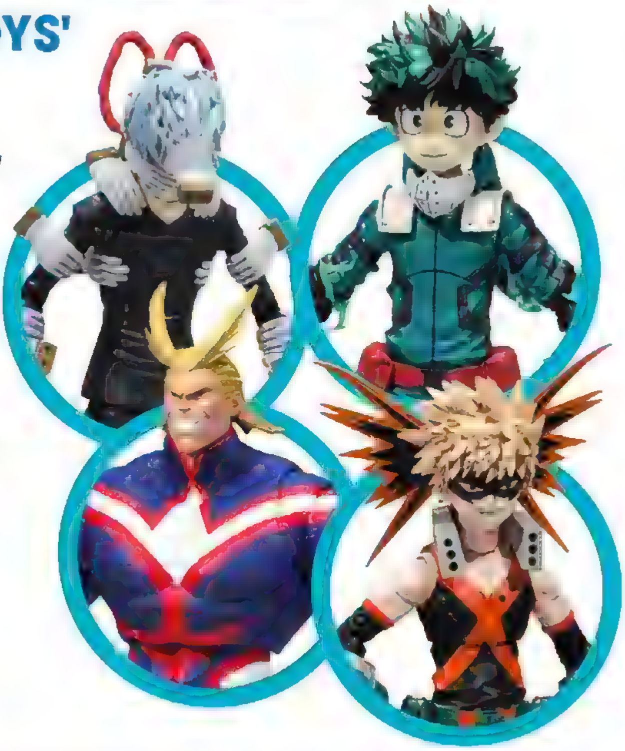
TAKE FLIGHT WITH MCFARLANE TOYS' *MY HERO ACADEMIA* FIGURES



One of the top anime series running today, *My Hero Academia* has a huge fanbase who thrill to the adventures of superheroes and those who want to be! With a film on the way, the popularity of *My Hero Academia* is only bound to grow, which is why McFarlane Toys' new series of *My Hero Academia Action Figures* will he highly sought-after this fall!

These 7" tall figures of All-Might, Bakugo, Midoriya and Shigaraki feature McFarlane's Ultra Articulation so you can pose these figures for battle or for casual moments. The sculpts are detailed and accurately recreate the costumes seen on screen, resulting in figures that look like the characters come to life, and every figure comes with accessories and alternate hands.

If you love *My Hero Academia*, then look for McFarlane Toys' *My Hero Academia Action Figures* this fall!

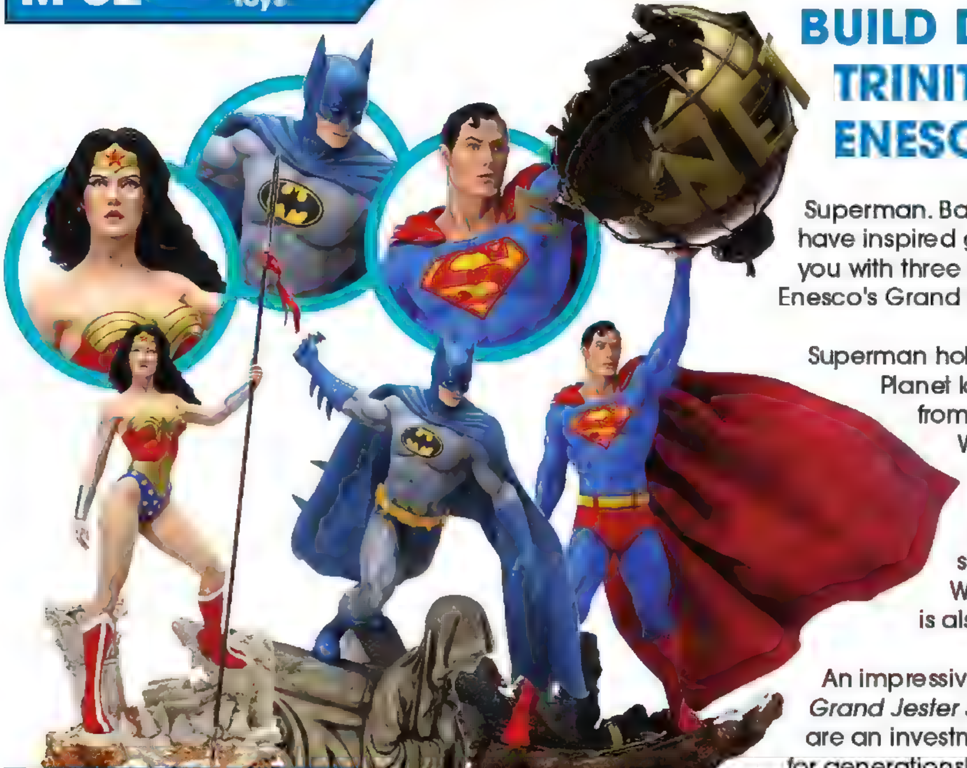
BUILD DC COMICS' TRINITY WITH THREE ENESCO STATUES



Superman. Batman. Wonder Woman. These names have inspired generations. Now, they can inspire you with three limited edition 1/6-scale statues from Enesco's Grand Jester Studios!

Superman holds the shattered wreckage of the Daily Planet logo aloft. Batman is prepared to strike from atop a Gotham City gargoyle. Wonder Woman stands ready, a spear in hands. Made of resin and calcium carbonate, these statues are impressive recreations of the beloved characters. Superman stands 22" tall, Batman stands 15" tall, and Wonder Woman stands 19" tall. Each statue is also limited to only 1,500 pieces.

An impressive set for any DC Comics fan, Enesco's *Grand Jester Studios: DC Heroes 1/6-Scale Statues* are an investment that will inspire and be treasured for generations!

DC COMIC GALLERY: THE KILLING JOKE JOKER PVC DIORAMA

Diamond Select Toys **M-23**

THE JOKER'S MANIA IS UNLEASHED IN DIAMOND SELECT TOYS' NEW DIORAMA

M-23

DC Comics' graphic novel *The Killing Joke* delved into the origins and psychology of the Joker, revealing the moment when a small-time hoodlum was transformed into the Clown Prince of Crime. Diamond Select Toys' *DC Comic Gallery: The Killing Joke Joker PVC Diorama* recreates a classic Brian Bolland panel from the story, of the Joker wild with his psychoses in the Hall of Mirrors, as a 10" tall diorama. Designed by Shawn Knapp and sculpted by Jean St. Jean, this take on the Joker will leave you laughing!

GREMLINS: CHRISTMAS CAROL WINTER SCENE 7-INCH FIGURE 2-PACK

Celebrate the winter holidays with an action figure 2-pack from the original *1984 Gremlins* movie! Any fan of the *Gremlins* movies knows the rules: keep them out of sunlight, don't get them wet, and never feed them after midnight. Fail, and you'll be faced with some pretty sketchy characters, like these highly suspicious Christmas carolers. These 7" scale figures (approximately 6" tall) feature over 25 points of articulation, including ears and jaw. For the task of distracting Mrs. Deagle while a companion makes some "modifications" to her stair lift, they're dressed for the winter weather, and come with sheet music, candy, and gingerbread cookies. HYPER SOLID Series GODZILLA(2016) Second Form

SRP $129.99
Available December 2019

The King of the Monsters reigns supreme, and returns to the Art Spirits elite Hyper Solid series!

Following up after the final form of Godzilla from 2016's Shin Godzilla film is a previous version, the so-called GODZILLA (2016) SECOND FORM!

This was the first evolution of Godzilla from a mostly unseen form, and it was quite a departure from the familiar shape. While GODZILLA (2016) SECOND FORM stands on two legs it is very long and low to the ground, walking on two thick legs. The kaiju has stubby vestigial arms, a long, thick tail, and a dinosaur-like head accented with gigantic eyes with huge pupils. Godzilla in this from is further differentiated by its multiple rows of spiky dorsal spines and gill-like structures on its neck that produce a red fluid.

GODZILLA (2016) SECOND FORM is over 10 inches long in its low stance close to the ground. Like Shin Godzilla before it this version of the King of the Monsters comes with a movie logo plate that you can display alongside it. Show off your love of Godzilla with this incredible collectible of one of the kaiju's most unique forms!

TALES OF

CITADEL
EDITED BY C.A. SULEIMAN

O/A TALES OF THE LOST CITADEL PROSE ANTHOLOGY

(W) Kealan Patrick Burke & Various

Tales of the Lost Citadel is a shared-world anthology of fifteen horror-fantasy stories. The city is called Redoubt, and as far as anyone knows, it is the last. Seven decades ago, there were cities upon cities; kingdoms and nations, the remains of ancient empire. Cultures at war, cultures at trade. Humans, dwarves, elves, and others. Magic and monsters, rare but real. Regions of desolation, but also regions of plenty. So it was for millennia, until the world ended. Most call it the Fall, but whatever term a given people choose to use, it marked the point where everything changed. Nations crumbled. Races died. Magic sputtered. Nature sickened. The Dead woke. THE WALKING DEAD: CALL TO ARMS MINIATURES GAME CORE RULEBOOK

FI

(W) Various

From Mantic Games. The *Walking Dead: Call to Arms* is a totally new way to play *The Walking Dead!* Use your existing miniatures from *All Out War* to create large-scale clashes in a Walker-infested world. Survivors have come together and formed communities, but with the increase in numbers comes the pressure to protect and keep your people safe. *The Walking Dead: Call to Arms* sets the stage for epic clashes for food, supplies, weapons, and most of all survival! This book contains a completely stand-alone set of rules designed to reflect the brutal, competitive nature of well-organized groups struggling for supremacy. If you're an existing player of *The Walking Dead: All Out War Miniatures Game*, you'll find that *Call to Arms* is familiar enough to pick up quickly, but far from the same game! Our space colony has been infiltrated by murderous androids who look just like us... and we're gradually being replaced by look-alikes! The only way to find out for sure if someone is a robot is by shooting them with your laser pistol. Each player gets a random card, which they must look at but let no one else see. Gameplay leads to players questioning each other to figure out who became a Robot. The game ends when a Human decides to either shoot or shake hands! Humans prosper if they correctly shoot the Robot, but the Robots win if humans turn on each other. Peace can be achieved by a handshake, but sneaky Robots have an iron grip...!
